Midwifery Emergencies at a Glance Denise Campbell, Susan M. Carr, 2018-11-28 *Midwifery Emergencies at a Glance* is a succinct illustrated guide covering the practical skills needed to manage obstetric and midwifery emergencies as well as high risk midwifery care. It provides clear guidance on the factors which predispose to complications so that preventative management can be employed whenever possible. Broad ranging yet easy to read. *Midwifery Emergencies at a Glance* details the underlying physiology and pathophysiology related to the emergency and explores both the physical and psychological care of the woman, partner and newborn during and following the emergency. Key features: Evidence based with guidance from the NMC, RCOG, NICE and The Resuscitation Council. Presented in an innovative visual style that makes the key concepts easy to understand. Provides helpful websites that expand on various topics as well as providing information on support groups for the woman and her family. *Midwifery Emergencies at a Glance* is an ideal guide for practising midwives, pre-registration student midwives, general practitioners and junior doctors to support both revision and clinical practice.
