Sc **Pattaya After Dark - Uncensored** Ed Bogue, 2015-11-16 Pattaya After Dark Uncensored drags you straight into Thailand's wildest adult playground the neon lit sois the go go bars the just one drink girlfriends and the 4 a.m. decisions that look very different in daylight This isn't some sanitized brochure written by a guy who went to Walking Street once on a package tour It's part brutally honest guide part confession told by someone who's actually stumbled down Soi 6 negotiated bar fines survived lady drink traps and lived to tell the tale and pay the tab Inside you'll discover How Pattaya's nightlife really works bars clubs massage freelancers dating apps more What things actually cost and how not to get rinsed like a clueless ATM on legs Red flag scams green flag girls and the gray areas in between Street level tips to stay safe have fun and still respect the people who call this chaos home No moral lectures No fake gentlemen's guide nonsense Just raw stories real prices and a flashlight shined into the darker corners of the city that makes Vegas look like Bible camp If you're planning a

trip to Pattaya or just curious what really happens after the sun goes down this is the book you read before the first drink not after the last one

**1500 Hotel Nights** Daniel Tabbush, 2017-01-17 An honest critique of hotels and restaurants is missing from bookshelves and Daniel Tabbush would argue that in fact there is a plethora of the opposite. All too often design characteristics at hotels and restaurants make little sense and no voice speaks out for the traveller to improve these defects. Once we confirm and pay for a hotel we are hostages. When we find a problem there is no way out and nobody speaks the truth. We are asked how is everything and we reply fine. So many publishers say that this book is too full of complaints it is the straightforward truth that nobody speaks out. Absurd design flaws abound which can be seen in every kind of hotel even in the most luxurious establishments worldwide. Bedframes that jut outward with a hard edge help a guest in no way other than to stumble and for shin injuries haphazardly placed two way light switches for room lights cause confusion rather than convenience. Thunderous air conditioning does not lend to a restful sleep. These are often accompanied by dim romantic room lighting which disallows reading writing or simply game playing. A profusion of ceiling protuberances in an array of shapes sizes and textures is unpleasant on the eyes and upsetting and the incessant blinking of 12:00AM on a DVD player is a worthless hotel amenity for any hotel guest. We all know it when we see it but it is rare to find a compendium of hotel design weaknesses. For travellers 1500 Hotel Nights will be both entertaining as well as helpful in identifying and avoiding troublesome hotel design deficiencies. For hotel managers and designers this book can assist in better understanding the viewpoint of the keen traveller and in developing a superior hotel room the travel experience itself.
