Poetry In English An Anthology

Marietta Chicorel

Poetry In English An Anthology:

Poetry in English Macha Louis Rosenthal, 1987 This authoritative handsomely designed anthology of poetry from the Anglo Saxon to the contemporary stresses major figures without neglecting minor ones of quality Meant for survey and genre courses and for all interested readers it offers responsible scholarly texts for study in themselves and for seeing both the continuities and the changes in dominant modes over the centuries The larger aim is to enhance the appreciation of poetic art generally Selection is based on excellence along with certain necessary considerations how well poems reflect their periods show the development of a form or genre illustrate a poet s range and speak to modern sensibilities Whenever feasible complete poems are used In addition to headnotes annotations and known dates of composition and publication Poetry in English includes M L Rosenthal s introduction Sally M Gall s comprehensive essay on versification and an author title first line index It is the ideal text for students and teachers alike

Poetry in English Macha Louis Rosenthal, 1987 This is a teaching anthology arranged chronologically and concentrating on major poets with a more selective treatment of significant minor writers Intended for both survey and genre courses in poetry it provides the basic texts for the study of a poet s work in some depth and establishes maximum interrelations among poems poets and periods so that it can be used to show changes in genre and mode as well as historical and literary influences The anthology presents the key poems for understanding our poetic tradition Selection is based on the excellence of the poems themselves along with the following considerations how well they reflect their period show the development of a genre or mode illustrate the best aspects of the individual poet s craft and speak to the twentieth century sensibility As a general principle but not a rigorous one all selections are complete works This differs from competing anthologies in providing a liberal selection of Canadian poetry In addition to headnotes for each poet the anthology includes a comprehensive fifty page essay on versification and prosody and an author title index

Old English Poetry: An Anthology R.M. Liuzza, Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Jerome J. McGann, Anne Lake Prescott, Barry V. Qualls, Claire Waters, 2014-03-26 R M Liuzza s Broadview edition of Beowulf was published at almost exactly the same time as Seamus Heaney s in reviewing the two together in July 2000 for The New York Review of Books Frank Kermode concluded that both translations were superior to their predecessors and that it was impossible to choose between the two the less celebrated translator can be matched with the famous one he wrote and Liuzza s book is in some respects more useful than Heaney s Ever since the Liuzza Beowulf has remained among the top sellers on the Broadview list With this volume readers will now be able to enjoy a much broader selection of Old English poetry in translations by Liuzza As the collection demonstrates the range and diversity of the works that have survived is extraordinary from heartbreaking sorrow to wide eyed wonder from the wisdom of old age to the hot blood of battle and to the deepest and most poignant loneliness There is breathless storytelling and ponderous cataloguing there is fervent religious devotion and playful teasing The poems translated here are meant to provide a sense of some of this range

and diversity in doing so they also offer significant portions of three of the important manuscripts of Old English poetry the Vercelli Book the Junius Manuscript and the Exeter Book *The Poets' World* James Reeves,1967 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Early Indian Poetry in English** Eunice De Souza,2005 Collection of poems by various poets with their short biographies **An English Anthology of Prose and Poetry (14th Century - 19th Century)**. Sir Henry John Newbolt,1922 **The English Catalogue of Books [annual]** Sampson Low,1927 Vols for 1898 1968 include a directory of publishers **English Romantic Poetry** Stanley Appelbaum,1996-11-08 Rich selection of 123 poems by six great English Romantic poets William Blake 24 poems William Wordsworth 27 poems Samuel Taylor Coleridge 10 poems Lord Byron 16 poems Percy Bysshe Shelley 24 poems and John Keats 22 poems Introduction and brief commentaries on the poets Includes 2 selections from the Common Core State Standards Initiative Ozymandias and Ode on a Grecian Urn *The English Catalogue of Books Published from January, 1835, to January, 1863* ,1864 [An Anthology of English Poetry](#) ,1972 [Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...](#) British Museum,1922 **An English Anthology of Prose and Poetry, Showing the Main Stream of English Literature Through Six Centuries.(14th Century-19th Century)** ,1922 **Subject Index of the Modern Books Acquired by the British Museum in the Years ...** British Museum,1922 **Seventeenth-century English Poetry** Terence Dawson,Robert S. Dupree,1994 This anthology of 17th century English poetry is extensively annotated for a new generation of readers It combines the scope of a period anthology with the detailed annotations of an authoritative single author edition Selected poets include John Donne George Herbert Robert Herrick John Milton Andrew Marvell Lady Mary Wroth and Katherine Philips The salient features include detailed annotations following on from each poem and a concise biographical essay for each poet outlining the literary and historical context and the critical reception of their work *Subject Index of the Modern Works Added to the British Museum Library* British Museum. Department of Printed Books,1922 **Chicorel Index to Poetry in Anthologies and Collections in Print** Marietta Chicorel,1975 **The United States Catalog** Eleanor E. Hawkins,1921 **The United States Catalog; Books in Print January 1, 1912** Marion Effie Potter,1921 **The United States Catalog Supplement, January 1918-June 1921** Eleanor E. Hawkins,1921
