Barbara Ann Wright, 2016 Cressida loves Greek mythology tales of gods and monsters but she knows they aren t real no  
matter how awesome it would be to meet the beautiful women of myth When her aunt June disappears Cressida realizes the  
other members of her family aren t so rational June s notes point to a possible entrance to the fabled Underworld before they  
cut off completely Following June s footsteps leads Cressida into a world she knew only as legend a place of marvels and  
danger where the living are highly prized by the dead Desperate Cressida turns to Medusa a demigoddess who s been  
maligned by myth but everything in the Underworld comes with a price Medusa is more than willing to help find June and all  
it will cost Cressida is one little murder Sweet Tempo James P. Kain, 2009-05-11 From the Prologue of Sweet Tempo Call  
me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie  
in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way  
named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie  
reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little  
attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I  
first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a  
major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood  
although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted  
to travel they surprised me by not arguing At that point I wasn t sure if I had made the decision or they had but once they set  
me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate  
that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would  
have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The  
reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written  
my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I  
had while on this trip were as real as sin You ll see There are times that I wonder if it happened at all But the story here  
needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and  
treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up **The**
