**Longman Dictionary of Common Errors** Nigel D. Turton, John Brian Heaton, 1996 The Longman Dictionary of Common Errors is based entirely on a corpus of genuine students writing the Longman Learner's Corpus This means it gives a true insight into the common errors that students make in their spoken and written work and provides clear and easy to use methods to avoid and correct these errors  
**All in One Common Errors in English** Shipan Das, 2022-01-25 This book is the complete storehouse of all types of common errors in English Everything in this book is analysed in simple language and with complete explanation It also covers solved exercises that will help a lot in the preparation of the examinations Contents from every corner made this book perfect for all types of competitive examinations

The Broadview Book of Common Errors in English - Fifth Edition Don LePan, 2003-04-17 The Broadview Book of Common Errors in English offers full coverage of such common mistakes as commas splices sentence fragments words frequently

confused words frequently misspelled mixed metaphors and subject verb agreement errors In each case the problem is clearly explained with examples illustrating both the nature of the trouble and how to put it right Unlike many guides to grammar and usage The Broadview Book refrains from dogmatism it treats correctness in English not as an unchanging objective standard laden with moral overtones but rather as a code of convenience that is extraordinarily useful in helping humans to communicate effectively and even elegantly It thus retains an openness to the inevitable process of change in the English language and recognizes that change does not imply debasement The fifth edition has been updated throughout and includes new material on capitalization on the connections between clear writing and clear arguments on academic citation systems on business writing and on particular difficulties experienced by those whose first language is not English
