Meeting passionate people who inspired her. Chapters are filled with poignant stories from women and men who have proven that aging does not have to define you and new beginnings are possible. Their stories are powerful and highlight the determination it takes to live your best life and what the passage of time means to how capable we are of embracing change. Not being financially prepared for retirement has become a national epidemic. Her chapter *Learning to Live After Retirement* features stories from those who were not aware that not planning was just speculating and rolling the dice on what might be.
