Power Surge Thomas Schatz, 2026 From the author of The Genius of the System the classic tale of Hollywood's first golden age comes the story of its last Thomas Schatz returns us to an era when a newly enriched movie industry rediscovered its creative energy and indie went mainstream without losing its edge Between 1989 and 2004 all the

old studios either merged with other media giants or were swallowed up by even bigger diversified behemoths leading to an infusion of money and fast tracking the digital revolution Yet even as CGI and piles of cash fueled a new breed of blockbusters Batman and Titanic Toy Story and The Lord of the Rings an indie ethos permeated the industry And at the crossroads of commodification and aesthetic vision auteurs ranging from Steven Soderbergh and Quentin Tarantino to Sofia Coppola and Ang Lee became household names Power Surge traces these trajectories which increasingly clashed and commingled during the 1990s and early 2000s resulting in nothing short of a new golden age and perhaps the last gasp of the century old studio system Media Libraries in an Age of Unending Consumption Mike Van Esler,2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today s corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest *Mass Communication* Ralph E. Hanson,2020-10-31 The best selling Mass Communication Living in a Media World presents a highly accessible introduction to mass communication that equips students with the critical thinking skills to become savvy media consumers To help students better retain the material author Ralph E Hanson uses a storytelling approach that weaves in examples drawn from everyday life Readers are encouraged to consider the media industry from the inside out and in doing so discover the many dimensions of mass communication that operate in our society The thoroughly revised Eighth Edition highlights how social and digital media video games and the COVID 19 pandemic are changing the face of media This title is accompanied by a complete teaching and learning package Screen Digest ,2002 The Deal ,2010-07 Broadcasting & Cable ,2006 *Mergers, Acquisitions, and Other Restructuring Activities* Donald DePamphilis,2021-09-26 Mergers Acquisitions and Other Restructuring Activities An Integrated Approach to Process Tools Cases and Solutions Eleventh Edition presents the most current and comprehensive M A information available Organized according to the context in which topics normally occur in the M A process the book covers M A environments M A processes M A valuation and modeling deal structuring and financing strategies and alternative business and restructuring strategies Covering industries worldwide this new edition illustrates the most germane strategies and tactics in today s marketplace It includes substantially more ancillary materials than previous editions including an extensive test bank chapter summaries and instructor and student PowerPoint slides

California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., Received document entitled APPENDIX TO PETITION FOR WRIT **Global Hollywood 2** Toby Miller,2005 This extensively revised edition of an best selling text provides a compelling exploration of Hollywood s global business practices Variety Deal Memo ,2003 The global newsletter of theatrical and post theatrical rights and markets The 50 Best (and Worst) Business Deals of All Time Michael Craig,2000 Annotation Craig ranks the best and worst business deals of all time and shows how the outcome of mega deals can depend on clear thinking and the adherence to simple guidelines *Reconstructing Times Square* Alexander J. Reichl,1999 When the big ball drops on New Year s Eve thousands are there to witness that great glittering sight while millions more watch on national television Times Square may be the cultural hub of America the Crossroads of the World but its lights have not always shone as brightly as they do now Once a glamorous theater district Times Square and 42nd Street had degenerated into a neighborhood known for the winos and sex shops of Midnight Cowboy until New York s business and arts communities stepped in These advocates of urban revitalization exploited cultural and historic preservation arguments to transform a low income entertainment district into a Disney fied tourist mecca Where Ratso Rizzo once kicked cars and hookers plied their trade Mickey Mouse now greets visitors from atop a Disney superstore surrounded by rising office towers theaters and theme restaurants all thanks to huge tax subsidies and government support Alexander Reichl tells the fascinating story of how cultural politics and economic greed transformed the city s physical and social environment with an ongoing multibillion dollar redevelopment program changing the district from a symbol of urban decline to one of urban renaissance He explains the political significance of the historic preservation and arts related approach to urban revitalization showing how it was used to appeal to the upscale values of middle class New Yorkers often hostile to urban renewal He also examines the role of the Walt Disney Company in the project and demonstrates its power to redefine a premier public space In telling the story of Times Square Reichl reveals much about politics and power at the city level and their relationship to the development of urban space He frames his lively narrative with an illuminating account of how historic preservation initiatives at all government levels have displaced large scale federal urban renewal programs as the dominant approach to urban development and he shows the importance of political discourse and cultural politics in mobilizing public support for urban redevelopment Now that it has been reconfigured for the 21st century Times Square provides a rich and multifaceted case for exploring the latest trends in urban renewal Yet Reichl suggests much that has

happened here is regrettable the ousting of low income citizens to serve commercial interests the loss of a culturally diverse entertainment district and the failure to address persistent class and race based segregation in a central urban area By getting to the heart of the Great White Way Reconstructing Times Square provides an important look at urban renewal and politics in a changing America **U.S. News & World Report** ,1993 **The Unofficial Guide Walt Disney World? 2009** Bob Sehlinger,2008-09-02 More than 4 million copies sold This series is the only one that offers evaluations based on reader surveys and critiques compiled by a team of unbiased inspectors Hotels attractions and restaurants in all price categories Extensive information on shopping nightlife and sports Easy to use two color design Detailed 2 color maps From the publishers of The Unofficial Guide to Walt Disney World A Tourist s Best Friend Chicago Sun Times Indispensable The New York Times Five Great Features and Benefits offered ONLY by The Unofficial Guide Exclusively patented field tested touring plans that save as much as four hours of standing in line in a single day Tips advice and opinions from hundreds of Walt Disney World guests in their own words Almost 250 hotels rated and ranked for quality and value including the top non Disney hotels for families A complete Dining Guide with ratings and reviews of all Walt Disney World restaurants plus extensive alternatives for dining deals outside the World Every attraction rated and ranked for each age group extensive objective head to head comparisons of the Disney and Universal theme parks **The Unofficial Guide to Walt Disney World 2004** Bob Sehlinger,2003 For Travelers Who Want More Than the Official Line A Tourist s Best Friend Chicago Sun Times Indispensable The New York Times Ten Great Features and Benefits offered ONLY by The Unofficial Guide The most comprehensive coverage of Walt Disney World Exclusively patented field tested touring plans that save as much as four hours of standing in line in a single day Every attraction rated and ranked for each age group In depth profiles of all the Disney resorts including the best rooms to request Almost 250 hotels rated and ranked for quality and value including the top non Disney hotels for families A complete Dining Guide with ratings and reviews of all Walt Disney World restaurants plus extensive alternatives for dining deals outside the World Tips advice and opinions from hundreds of Walt Disney World guests in their own words The most complete and detailed insider coverage of shopping in and out of Walt Disney World Timed comparisons of getting around by the Disney Transportation System or using your own car Extensive objective head to head comparisons of the Disney and Universal theme parks This guide is a completely independent evaluation of Walt Disney World and has not been reviewed or approved by Walt Disney World or the Walt Disney Company Inc **Forbes** Bertie Charles Forbes,1951 This business magazine covers domestic and international business topics Special issues include Annual Report on American Industry Forbes 500 Stock Bargains and Special Report on Multinationals **Business Week** ,2004 *Directory of Discount & General Merchandise Stores* ,1997 **The Unofficial Guide to Walt Disney World 2007** Bob Sehlinger,2006-08-21 A Tourist s Best Friend Chicago Sun Times Indispensable The New York Times Companion podcast available on Frommers com Five Great Features and Benefits offered ONLY by The Unofficial Guide Exclusively patented
