Madden,2021-07-02 In October 1969 the New York Mets stunned the sports world by defeating the heavily favored Baltimore Orioles in a memorable World Series Their five game triumph capped off a true Cinderella season when the woebegone National League franchise rose from laughingstock to popular champions The histories of both the Mets and Orioles are traced along with their paths to the climactic 69 Series A batter by batter recap of all five games gives a box seat view to a storied moment in baseball history *USA Today*,1994 **Now I Can Die in Peace** Bill Simmons,2009-03-24 NEW YORK TIMES BESTSELLER Bill Simmons replays the years leading up to the Boston Red Sox historic championship season and says goodbye to a lifetime of suffering At least for now The Red Sox won the World Series To Citizen No 1 of Red Sox Nation those seven words meant No more 1918 chants No more smug glances from Yankee fans No more worrying about living an entire life that s 80 years followed by death without seeing the Red Sox win a Series But once he was able to type those life changing words Bill Simmons decided to look back at his Sports Guy columns for the last five years to find out how the miracle came to pass And that s where the trouble began Why didnt he see it coming Why didn t it happen sooner What was the key deal the lucky move the funny bounce the sign from above that he failed to spot Pretty soon The Sports Guy was second guessing himself rewriting history sniping at his own past predictions pounding the table that s what sports guys do right And doing so he let himself get sidetracked by the suffering of the Boston Bruins frustrated by the false promise of the Celtics and driven into a state of ecstasy by the dynastic New England Patriots The result is Now I Can Die in Peace a hilarious and fresh new look at some of the best sportswriting in America with sharp critical commentary and fresh insights from the guy who wrote it in the first place *At Long Last* Various Authors,2023-11-14 The Texas Rangers are 2023 World Series champions History was made in 2023 as the Texas Rangers triumphed over the Arizona Diamondbacks to seize their first World Series championship since arriving in the Lone Star State in 1972 At Long Last The Texas Rangers Historic Run to the 2023 World Series takes fans through an incredible year marked by defiant self belief Led by new manager Bruce Bochy and a star studded squad the Rangers raced to their best regular season start in franchise history and demonstrated remarkable heart on the long path to victory Through insightful stories from Rangers Today and dynamic photos relive all the key moments of this championship journey including the Wild Card series against the Tampa Bay Rays the dominant ALDS sweep of the Baltimore Orioles a nerve wracking Game 7 against the Houston Astros and finally raising the trophy after defeating the unpredictable Diamondbacks This commemorative book also includes feature stories on popular figures like Bochy Corey Seager Josh Jung Adolis Garc a and more **The Forgotten Game** John Vampatella,2021-08-24 A gripping detailed recap of the wildly insane oft overlooked extra innings classic that turned the 2004 ALCS into the most memorable playoff series in modern history No team had ever come back from a 3 0 deficit to win a postseason series in baseball In the history of MLB postseason play going into Game 5 there had been twenty five series to start out 3 0 Of those twenty ended in sweeps two made it to a sixth game and none had made it to a seventh game The Forgotten Game details one of the greatest

games in baseball history between the two most bitter rivals in the sport For years the two teams fought for American League supremacy with the Yankees usually coming out on top Following an incredible 2003 playoff series the two teams squared off again in 2004 for the right to go to the World Series The Yankees won the first three games in convincing fashion and it seemed yet again they would eliminate the Red Sox until Boston miraculously won Game 4 Most fans remember the steal by Dave Roberts that sparked the game tying rally in the ninth to keep Boston s hopes alive And most fans remember Curt Schilling s sutured ankle in Game 6 But Game 5 was a do or die moment for the Red Sox and they delivered in epic fashion Yet despite being the pivotal game in the series it hasn t drawn the attention the others have The Forgotten Game breaks down Game 5 on a virtual pitch by pitch basis from the battle between Pedro Martinez and Mike Mussina to the clutch performances by Tim Wakefield and David Ortiz while breaking down the strategies the managers employed and stories of how various players made their way to their respective teams for that fateful night Never before has the story of Game 5 been told in such vivid and riveting detail If you ve devoured everything Red Sox Yankees you ll LOVE IT If you are new to the rivalry and era you will understand it for the first time I couldn t put it down and loved the historical context of each inning I loved it Gar Ryness Batting Stance Guy While most people remember Boston s dramatic game 4 victory or Curt Schilling s bloody sock heroics in game 6 game 5 was truly the unsung hero of the series John Vampatella does a magnificent job of explaining why while providing tremendous background and anecdotes that all baseball fans will enjoy The Forgotten Game is an absolute must for Red Sox fans of all ages Scott Cordischi WEEI sports talk show host
