WHAT IS ACTING?

Acting is a form of performance art in which a person assumes a character's role, emotions, and behavior. This is usually in a scripted or improvised production, such as a play, film, or television show.

Through acting a person can better display their creative expression, create better emotional connections, entertain, be better communicators as well as gain further professional opportunities and personal growth through the development of the craft.

Actors play an important role in high-octane video games, TV commercials, motion animation movies, action-packed movies, youtube tutorials, and much more.
