Black Friday Latest Open Now:

Black Friday Alex Kava, 2019-03-11 Plunge into a thrilling adventure tracking domestic terrorists in book 7 of the acclaimed Maggie O'Dell series from New York Times bestselling author Alex Kava. On the busiest shopping day of the year, a group of idealistic college students believe they're about to carry out an elaborate media stunt at the largest mall in America. They think the equipment in their backpacks will disrupt stores' computer systems, causing delays and chaos, disrupting capitalism if only for a moment. What they don't realize is that instead of jamming devices, their backpacks contain explosives. And they're about to become unwitting suicide bombers. FBI profiler Maggie O'Dell must put her own political troubles aside to work with Nick Morrelli and figure out who's behind this terrorist plot: a massacre that's all the more frightening when a tip reveals that Maggie's brother is one of the doomed protestors. Originally published in 2009. **"Black Friday: A Night of Broken Promises"** Ammar Rahhal, *Black Friday: A Night of Broken Promises* follows the suspenseful events of a single night inside Ridgewood Mall where thousands of eager shoppers gather in the early hours hoping for the deals of the year. But when the mall's doors open earlier than scheduled and advertised bargains mysteriously disappear, tension slowly transforms into fear. Lena, a determined shopper, teams up with Tom, an exhausted security guard, and Eli, a mysterious man with a strange black wristband, as the mall's systems begin to malfunction in alarming ways: lights flicker out, announcements distort, stores close without warning, and people vanish into unmonitored corridors. As chaos grows, the trio uncovers a secret buried beneath years of deceptive advertising and corporate manipulation: a failed algorithm designed to track and control consumer behavior has turned the mall into a trap. Over the course of one terrifying night, they must navigate a maze of locked doors, collapsing crowds, and escalating danger to reach the final exit before the building resets and their ordeal is erased. A fast-paced tale of truth, trust, and the cost of broken promises, this novella exposes the dark side of one of the world's biggest shopping days. **Black Friday and Cyber Monday Guide** HowExpert, Tammy Marshall, 2017-12-19 Have you ever wondered how to save during the holidays? Presents and pampering guests, there are all sorts of ways that you willingly spend during this season. The trick you may not know is that there are special days during the holiday season that you will save the most money. Stores know this; you can too. Our guide is designed to help you save your green during the festivities. You won't be a scrooge when you get your hands on the savings we've listed. In this book, you will find answers to the following questions: What is Black Friday and how do I get in on the savings? What is Cyber Monday and will it ever be Black Friday? What is Travel Tuesday? How do I stay safe online? Where are the best deals? What are some of the latest scams? Is Black Friday worth it? Is it better to shop online or in the store? What goods should I buy in the store? What should I buy online? How do I keep my bank account secure? What websites should I visit to help me find deals? What kind of mindset do I need to become a savvy shopper? Should I buy electronics online? About The Expert: Tammy Marshall is a savvy shopper. She's been one her entire life. She lives to save money. Her other passion is sharing how she finds new ways to save green. Tammy also deplores
