Instagram Marketing David J. Green, 2017-10 Instagram has undergone a complete metamorphosis from the iOS app it was originally designed for to a huge social media site with tons of benefits both for private individuals and businesses Over the years the platform has shown no sign of losing its growth not with the backing of the mighty Facebook That should reassure you that its growth in recent years is not a fluke but will continue for years to come Page 4 of cover

Instagram Guide for Beginners and Dummies Mey Irtz, 2021-05-08 The ways in which we use social media are constantly changing and evolving While initially a place for users to share photos with their family and friends and post aesthetically pleasing updates for people to be able to see what is happening in their lives social media has increasingly become more integrated within consumer culture Social media platforms have become increasingly more geared towards driving engagement and generating ad revenue Some audiences who are primarily still using social media to connect and be social have been more resistant to this switch but others love this integration There are a plethora of ways to bridge this gap and encourage all types of audiences to engage willingly and happily with business accounts As everyone surely knows Instagram is one of the most popular photo sharing platforms on social media today According to Instagram's own data over 200 million users visit at least one business profile each day 60% of users say that they have discovered a new product on Instagram and one third of the stories that receive the most views are posted by businesses As with the social media market as a whole there has been a shift from Instagram being a social platform to it being a media platform that places emphasis on unique content creation as well as business and marketing
