Eating Plant-Based: Essential Cookbook For The Modern Vegan Jermaine Magandazi, 2019-09-26 The date was August 20th, 2017. My girlfriend and I were on the last season of *Breaking Bad*, wondering what we were going to watch after the show finished. A buddy of mine at the time suggested that we watch a Netflix documentary titled *What The Health*. He had recently chosen to incorporate a more plant-based diet after unsuccessfully trying a keto-based diet. For a while, I was hesitant to watch this documentary for reasons unknown, besides the fact that it might cause me to have to think outside my comfort zone and confront certain things about my diet, which had not been the healthiest at that point in time. After dwelling on the suggestion for a while, I finally caved in and watched. Afterwards, I decided for health reasons to incorporate a plant-based diet. It was a bit rocky at first, but after a couple of months, I was on the right track and have never looked back since. It has been a little over 2 years now, and I couldn't be happier with my decision to forgo meat and incorporate a more plant-based diet. I have not only lost weight, but I also feel healthier and more energized on a daily basis. I feel less groggy and happier than I did 2 years ago. So with a healthy transition in mind, I decided to create a cookbook for vegans, vegetarians, and transitioning vegans alike, with simple-to-make recipes and step-by-step instructions. For one of the best vegan cookbooks on the market, so from the bottom of my heart, I would like to thank you for investing not only in your health but the future of our planet. Go Vegan. Cooking Essentials Mary Berry, Marlena Spieler, 1999 Being a good cook doesn't just happen. It starts with knowledge. And that knowledge must run deeper than just a recipe on a page, no matter how much or little cooking experience you have. Simply enough, that's the story behind *Cooking Essentials*. Cooking should be as easy and uncomplicated as possible. We start with a visual guide to the pantry, describing and explaining a key choice of ingredients. Next, we offer advice on saving money as you set up or improve your kitchen. Then, a portfolio of essential techniques forms a vital reference source. The Master Recipes are designed to be your keys to even better cooking, allowing you to utilize a wide range of essential cooking skills. Last but not least, there is the Recipe Repertoire, a collection of our favorite recipes that we hope

will become yours too Enjoy Cooking Essentials your companion on the never ending road to more cooking knowledge and better cooking
