Zad, CS Divya Bajpai, 2026-01-28 Strategic Management Corporate Finance CRACKER is a comprehensive previous examinations driven preparation manual for CS Professional Group 2 Paper 5 editorially engineered to mirror the ICSI's real examination mechanics rather than its theoretical syllabus outline. The book functions as an exam decoding instrument systematically converting historical question papers into a predictive preparation framework for the June and December 2026 examinations. Unlike narrative textbooks that explain concepts in abstraction, this publication is built on actual CS Professional examination questions arranged topic wise and chapter wise with fully updated marks oriented solutions. The core philosophy of the book is that Paper 5 is not tested as a theory subject but as an applied, integrated and strategically evaluated paper where performance depends on issue identification, conceptual precision, structured presentation and examiner aligned language. The CRACKER edition is therefore designed not to teach what Strategic Management and Corporate Finance are but rather to show how ICSI examines them. The Present Publication is the 4th Edition authored by CS NS Zad and CS Divya Bajpai with the following noteworthy features:

- Complete Coverage of Previous Exams up to December 2025
- Incorporates all relevant CS Professional examination questions including descriptive, practical and integrated case study questions
