Asian Migrant Workers in the Arab Gulf States Masako Ishii, Naomi Hosoda, Masaki Matsuo, Koji Horinuki, 2019-11-26
Asian Migrant Workers in the Arab Gulf States edited by Masako Ishii Naomi Hosoda Masaki Matsuo and Koji Horinuki examines how nationals and migrants construct new relationships in the segregated socioeconomic spaces of the region namely Bahrain Kuwait Oman Qatar Saudi Arabia and the United Arab Emirates Instead of assuming that segregation is disadvantageous for migrant workers it emphasizes multiple aspects and presents various voices In this way the book tries to unfold the region s segregated socioeconomic space as well as its new forms of networking and connectedness in order to understand how the various peoples coexist a situation that often entails conflict and discrepancies between expectations and reality The Report: Saudi Arabia 2018 , Key initiatives include a privatisation programme which would see the divestment of a number of state owned giants such as the partial listing of Aramco the creation of the world s largest sovereign wealth fund and the increased participation of women in the job market The Kingdom has played a key role too on the international stage in 2017 becoming the first country to host President Trump a visit which resulted in renewed trade and investment commitments on both sides Meanwhile the country s importance as a trading hub continues to grow thanks to both the various infrastructural upgrades that are taking place to its ports and airports as well as its geographical advantage as a connector of three continents and its proximity to the Red Sea through which 10% of world trade travels **South Asian Migration in the Gulf** Mehdi Chowdhury, S. Irudaya Rajan, 2018-04-03 This volume explores the reasons behind and impact of the migration of South Asian nationals from India Bangladesh Nepal Sri Lanka Pakistan Bhutan and Maldives Afghanistan and Myanmar in the Gulf countries Saudi Arabia Oman Kuwait Qatar UAE and Bahrain The authors provide a broad overview of the demographics of the phenomenon its mechanisms and focus on the contribution of migrants in various sectors including construction health and education and the overall labour market in the Gulf The book also taps into the regional geo politics and its links to the South Asian Migration in the Gulf This book is recommended reading to all those interested in international migration and labour issues
