Cultural Anthropology in a Globalizing World Barbara Miller, 2016-04-08 *Cultural Anthropology in a Globalizing World* Barbara D. Miller, 2008 THE STORY Through the course of one dizzying night at a club JAILBAIT follows the parallel stories of two fifteen year old girls desperate to grow up and two thirty something men who are looking to be twenty one again High school sophomores Claire and The Red Planet Bill Hatcher, 2024-04-16 We humans have an extraordinary capacity for compassion much of it in response to the atrocities we inflict on the planet its animals and each other The popular explanation for this paradox is that we evolved as carnivorous killer apes who gradually curbed our lust for violence with frequent exceptions by implementing humane social norms This explanation is so well worn especially in the American psyche that it epitomizes cliché So we could be forgiven for believing it when nearly every word is fiction Current research shows that our original biological and social programming is nonviolent So what changed What turned us from goddess worshipping plant eating peacemakers into god worshipping animal eating warmongers Find out in this fresh avant garde nonfiction The Red Planet Gendered Landscapes and Violent Inequalities and learn how our intrinsically feminine predilection for peace may yet save us Cultural Anthropology Jack David Eller, 2020-05-10 Cultural Anthropology Global
