How We Give Now Lucy Bernholz,2021-10-12 From Go Fund Me to philanthropy the everyday ways that we can give our money our time and even our data to help our communities and seek justice In How We Give Now Lucy Bernholz shows that philanthropy is more than writing a check and claiming a tax deduction For most of us the non wealthy givers philanthropy can be a way of living our values and fully participating in society We give in all kinds of ways shopping at certain businesses canvassing for candidates donating money and making conscious choices with our retirement funds We give our cash our time and even our data to make the world a better place Bernholz takes readers on a tour of the often overlooked worlds of participatory philanthropy learning from a diverse group of forty resourceful givers Donating our digitized personal data is an emerging form of philanthropy and Bernholz describes safe equitable and effective ways of doing so giving genetic data for medical research through a nonprofit genetics organization rather than a commercial one for example or contributing photographs to an online archive like the Densho Digital Repository which documents America s internment of 120 000 Americans of Japanese descent Bernholz tells us to follow the money however when we re asked to add a dollar to our total at the cash register or when we buy a charity branded product it s more effective to give directly than to give while shopping Giving is a form of participation Philanthropy by the rest of us across geographies and cultural traditions begins with and builds on active commitment to our communities

*Who Took Jesus Out Of Christmas?* Sharon Brunnelson, 2020-01-10. Thirteen year old Marlee Madison is an accidental detective. She is about to become a teenager but doubts her ability to grow up. She is chosen to play Mary in her town's Christmas festival, Nativity Night. This honor allows her to hold the town's three hundred year old Baby Jesus figure and to become the next participant in the legend of the Christmas wish. While she searches for the perfect wish, she faces the financial difficulties of her friends, as well as a tragedy of her own. Marlee learns about a mystery of hidden gold that has baffled her town for 150 years. She vows to solve the mystery but must put aside her search when it appears that the town will have to cancel Nativity Night, as well as her Christmas wish, when the Baby Jesus figure goes missing. Marlee's best friend, Jeremy, struggles with his own dilemma and must turn to the town's meanest old man, Mr. Trumbull, for help. Does Mr. Trumbull hold the clue to the missing gold? Jeremy faces an emergency that thwarts his plans and changes his life instead. Through the trials that she and her friends face, a few misadventures, and advice from an older widowed woman who runs the local cafe, Marlee not only solves the mysteries but grows a little in her faith along the way and serves as an inspiration to everyone in her home town of Christmas.
