

Goodreads Choice In The Us

Paul Meshanko

Goodreads Choice In The Us:

They Called Us Exceptional Prachi Gupta, 2024-08-20 In this vulnerable and courageous memoir Prachi Gupta takes the myth of the exceptional Indian American family to task The Washington Post I read it in one sitting Wow It aims right at the tender spot where racism sexism and family dynamics collide and somehow manages to be both searingly honest and deeply compassionate Celeste Ng New York Times bestselling author of Little Fires Everywhere A SHE READS BEST BOOK OF THE YEAR ONE OF THE BEST BOOKS OF THE SEASON The New York Times The Washington Post The Boston Globe Bustle How do we understand ourselves when the story about who we are supposed to be is stronger than our sense of self What do we stand to gain and lose by taking control of our narrative Family defined the cultural identity of Prachi and her brother Yush connecting them to a larger Indian American community amid white suburbia But their belonging was predicated on a powerful myth the idea that Asian Americans and Indian Americans in particular have perfected the alchemy of middle class life raising tight knit high achieving families that are immune to hardship Molding oneself to fit this image often comes at a steep but hidden cost In *They Called Us Exceptional* Gupta articulates the dissonance shame and isolation of being upheld as an American success story while privately navigating traumas the world says do not exist Gupta addresses her story to her mother braiding a deeply vulnerable personal narrative with history postcolonial theory and research on mental health to show how she slowly made sense of her reality and freed herself from the pervasive reductive myth that had once defined her But tragically the act that liberated Gupta was also the act that distanced her from those she loved most By charting her family's slow unraveling and her determination to break the cycle Gupta shows how traditional notions of success keep us disconnected from ourselves and one another and passionately argues why we must orient ourselves toward compassion over belonging

[Crash Course in Readers' Advisory](#) Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training This guide will remedy that It is built around understanding books reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively You'll learn about multiple RA approaches such as genre appeal features and reading interests and about essential tools that can help with RA Plus you'll discover tips to help you keep up with this ever changing field There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds Helping readers find what they want is a sure way to serve patrons and build your library's brand You will come away from this easy to understand crash course with the solid background you need to do both

Mediation and Multimodal Meaning Making in Digital Environments Ilaria

Moschini, Maria Grazia Sindoni, 2021-11-15 This collection explores the mediation of a wide range of processes, texts, and practices in contemporary digital environments through the lens of a multimodal theory of communication. Bringing together contributions from renowned scholars in the field, the book builds on the notion that any form of digital communication inherently presents a rich combination of different semiotic modes and resources as a jumping off point from which to critically reflect on digital mediation from three different perspectives. The first section looks at social and semiotic practices and the implications of their mediation on artistic production, cultural heritage, and commerce. The second part of the volume focuses on dynamics of awareness, cognition, and identity formation in participants to digitally mediated communicative processes. The book's final section considers the impact of mediation on shaping new and different types of textualities and genres in digital spaces. The book will be of particular interest to scholars, researchers, and students in multimodality, digital communication, social semiotics, and media studies.

Literature's Social Lives Günter Leypoldt, 2025 This book draws from literary sociology to look at literature in a longue durée from Romantic poetry to the Toni Morrison novel. It proposes a new value theory and sketches an institutional history of US and Anglophone literary culture from 1800 to the present. Its bifocal institutional and value theoretical lens offers a fresh look at literary production, explaining the tension of vocation and trade regimes since 1800, the relevance of subsidies to authors of high literary ambition, the network dependency of avant-gardes, and identity groups, the institutional prerequisites of world literary iconicity, and the diversification and ranking of reading cultures.

Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube, contemporary literary cultures and practices are increasingly intertwined with social media. In this lively and wide-ranging study, Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression. The book takes a 360-degree approach to the subject, combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced, shared, and circulated. The first study of its kind to focus specifically on social media, Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context.

While You Were Out Meg Kissinger, 2023-09-05 From award-winning journalist Meg Kissinger, a searing memoir of a family besieged by mental illness as well as an incisive exploration of the systems that failed them and a testament to the love that sustained them. Growing up in the 1960s in the suburbs of Chicago, Meg Kissinger's family seemed to live a charmed life. With eight kids and two loving parents, the Kissingers radiated a warm, boisterous energy. Whether they were spending summer days on the shores of Lake Michigan, barreling down the ski slopes, or navigating the trials of their Catholic school, the Kissingers always knew how to live large and play hard. But behind closed doors, a harsher reality was

unfolding a heavily medicated mother hospitalized for anxiety and depression a manic father prone to violence and children in the throes of bipolar disorder and depression two of whom would take their own lives Through it all the Kissingers faced the world with their signature dark humor and the unspoken family rule never talk about it While You Were Out begins as the personal story of one family s struggles then opens outward as Kissinger details how childhood tragedy catalyzed a journalism career focused on exposing our country s flawed mental health care Combining the intimacy of memoir with the rigor of investigative reporting the book explores the consequences of shame the havoc of botched public policy and the hope offered by new treatment strategies Powerful candid and filled with surprising humor this is the story of one family s love and resilience in face of great loss

Steven Universe: End of an Era Chris McDonnell,2020-10-13 Chris McDonnell s Steven Universe End of an Era is the eagerly anticipated follow up to the bestselling behind the scenes companion book Steven Universe Art Origins Foreword by Hugo Award winning author N K Jemisin Showcasing new concept art storyboards background paintings and exclusive interviews End of an Era will update the history of the Emmy Award winning series to cover season four through to the critically acclaimed finale Change Your Mind and beyond Fans will find a special focus on creator and showrunner Rebecca Sugar s elaborate process for creating the lore for the series as she and the crew reveal how they discovered and developed the complete story arc for each character as well as how they were able to design a show that so refreshingly captures and celebrates the experience of childhood Steven Universe End of an Era is a heartfelt send off to one of the most progressive imaginative and beloved animated series of our time This book extends the life of this treasured animated series

The Infinity Particle Wendy Xu,2023-08-29 In this gorgeous graphic novel by Wendy Xu co creator of the award winning Mooncakes a young inventor falls for a lifelike AI and confronts questions of freedom and autonomy Clementine Chang moves from Earth to Mars for a new start and is lucky enough to land her dream job with Dr Marcella Lin an Artificial Intelligence pioneer On her first day of work Clem meets Dr Lin s assistant a humanoid AI named Kye Clem is no stranger to robots she built herself a cute moth shaped companion named SENA Still there s something about Kye that feels almost too human When Clem and Kye begin to collaborate their chemistry sets off sparks The only downside Dr Lin is enraged by Kye s growing independence and won t allow him more freedom Plus their relationship throws into question everything Clem thought she knew about AI After all if Kye is sentient enough to have feelings shouldn t he be able to control his own actions Where is the line between AI and human As her past and Kye s future weigh down on her Clem becomes determined to help him break free even if it means risking everything she came to Mars for

Good Housekeeping ,2009 *Good Housekeeping Magazine* ,2009 **Stop. Think. Invest.: A Behavioral Finance Framework for Optimizing Investment Portfolios** Michael Bailey,2022-01-04 Use the power of behavioral finance to make smarter better informed decisions through every step of the investing process In an economy where markets are more unpredictable than ever emotions can derail the efforts of even the most experienced investors and wreak havoc on portfolio

returns Applying powerful behavioral finance concepts Stop Think Invest provides a framework for identifying personal biases and avoiding mistakes that can cost big profits Based on the author s extensive research and 100 key behavioral finance concepts this guide provides a winning 12 step process you can use to successfully manage your trading and investing for long term success including Begin the initial research into a new stock Create an investment thesis why are you buying the stock Trade timing and size when are you buying and how much Make the initial purchase Review the trade round up or round down Test your original investment thesis Stop Think Invest reveals critical information about behavioral finance flaws such as anchoring confirmation bias recency bias and loss aversion Unlike other behavioral investing guides Stop Think Invest offers a fully organized and practical approach to applying behavioral finance to everyday investing
