**Generation Z** Victoria Carrington, Jennifer Rowsell, Esther Priyadharshini, Rebecca Westrup, 2015-12-17 This book argues that the mythic figure of the zombie so prevalent and powerful in contemporary culture provides the opportunity to explore certain social models such as childhood and school class and family that so deeply underpin educational policy and practice as to be rendered invisible It brings together authors from a range of disciplines to use contemporary zombie typologies slave undead contagion to examine the responsiveness of everyday practices of schooling such as literacy curriculum and pedagogy to the new contexts in which children and young people develop their identities attitudes to learning and engage with the many publics that make up their everyday worlds

**Makers at Work** Steven Osborn, 2013-09-27 What do you get when you combine an electronics hobbyist hacker garage mechanic kitchen table inventor tinkerer and entrepreneur A maker of course Playful and creative makers are through expertise and experimentation creating art products and processes that change the way we think and interact with the world As you ll see from the 21 interviews in Makers at Work inquisitive makers are just as apt to pick up a laser cutter or an Arduino as a wrench to fashion something new For example you ll meet Jeri Ellsworth who might provide a video lecture on magnetic logic one day and a tutorial on welding a roll bar on a stock car the next You ll also meet Eben Upton who put cheap powerful computing in the hands of everyone with the Raspberry Pi Becky Stern who jazzes up clothing with sensors and LEDs and bunnie Huang who knows the ins and outs of the Shenzhen China electronics parts markets as well as anyone As all the interviews in Makers at Work show makers have something in common reverence for our technical past coupled with an aversion to convention If they can t invent new processes or products it s simply not worth doing Crazy as foxes makers working in the spirit of Tesla Wozniak Edison Gates Musk and many others can bring sophisticated products to the people or to the market as fast or faster than large corporations And they are not just enabling new technologies and devices they are changing the way these devices are funded manufactured assembled and delivered Makers at Work puts a spotlight on the maker mindset and motivation of those who are reinventing the world one object or idea at a time You will Meet the individuals who define what it means to be a maker Learn about the tools and technologies driving the new industrial revolution Discover ways to scale your weekend project into a profitable business See how others have used to crowdfunding to make their visions a reality Learn how open source hardware and software is enabling whole new categories of products by removing barriers of entry for inventors The new masters of the Makerverse ask two questions Can it be done Is it fun As these interviews will show the answer to both questions is Let s find out
