

Christmas

Read the passage below and answer the questions on the next page.

Christmas is celebrated in many countries around the world, and each country has its own unique traditions. In Germany, for example, one tradition is to leave a shoe out the night before Christmas so St. Nicholas can fill it with presents and treats. In Puerto Rico, children wake up to find their shoes filled with gifts from the Three Kings. In the United States, families often hang stockings by the fire and exchange presents on Christmas morning.

In France, it's traditional to display a nativity scene known as a 'crèche' in homes throughout the holiday season. The Netherlands is known for its wooden shoes, which are filled with hay and gifts for children come Christmas Day. In Sweden, kids leave their shoes outside their bedroom door on Christmas Eve so they can be filled with candy and treats from elves.

Italy is famous for its elaborate feasts during the festive season, with many families gathering around tables overflowing with dishes such as lasagne, pasta, or roasted meats. Children are often given small gifts from La Befana, an old woman who is said to fly around on a broomstick delivering presents.

In Japan, Christmas isn't celebrated as a religious holiday but instead as a time for family and friends to get together and enjoy good food. Instead of exchanging gifts, people often visit department stores or amusement parks to admire the seasonal decorations.

No matter where you are in the world during Christmas, you're sure to find unique and special traditions that bring joy to the season!

Holiday Gift Guide Reading Comprehension This Month:

Swim, Bike, Bonk Will McGough, 2019-11-01 Just as George Plimpton had his proverbial cup of coffee in the NFL as the unrecruited and certainly unwanted fourth string quarterback for the Detroit Lions so too did Will McGough immerse himself in a sport he had no business trying. Like Plimpton whose football folly turned into the bestselling *Paper Lion* travel and outdoor writer McGough writes of his participation in around and over the course of one of the world's premier triathlons the annual 140.6 mile Ironman in Tempe, Arizona. McGough chronicles the Ironman's history, his unorthodox training, the pageantry of the race weekend, and his attempt to finish the epic event. The narrative follows not just his race but also explores the cult and habits of the triathlete community beginning with the first Ironman competition in Hawaii in 1978. This is a light-hearted, self-deprecating and at times hilarious look at one man's attempt to conquer the ultimate endurance sport with a conclusion that will surprise and delight both dedicated triathletes as well as strangers to the sport.
