

A photograph of a Paris Baguette store interior. The scene is a dining area with several long, light-colored wooden tables and matching wooden chairs with curved backs. The tables are arranged in rows. In the background, there is a wall with a light-colored, paneled design. Above the tables, there are large, circular planters filled with various green plants, including ferns and trailing vines. The lighting is warm and even, creating a clean and inviting atmosphere.

Hate Follow Erin Quinn-Kong, 2024-10-08. A rich and witty story with two complicated women at its heart. *Hate Follow* is a beautiful debut. Quinn Kong's story of an influencer mom sued by her resentful daughter is of the moment, but its exploration of female power and privilege is timeless. Amanda Eyre Ward, *New York Times* bestselling author of *Lovers and Liars*. This riveting, thought-provoking novel pulls back the curtain on influencer culture to reveal a story of a mother and daughter grappling with what they owe one another as they struggle to navigate life in the glaring public eye. Influencer Whitney Golden has it all: beautiful, photogenic children, a handsome new boyfriend, a gorgeous house, and designer clothes and beauty products that arrive on her doorstep every day. After spending years building her brand as a widowed mother of four, including twins, to over a million followers, the thirty-seven-year-old is at the peak of her career. But it all comes to a screeching halt when Mia, her teenaged daughter, announces she's tired of the social media life. She wants nothing more to do with her mother's online brand and demands that not just she but her siblings and their deceased father be removed from Whitney's Instagram blog and just about everywhere else on the internet. When Whitney doesn't agree, Mia does the unthinkable. She sues her mother. What started as a family spat turns into a monumental case about child privacy, individual agency, and modern parenting that shatters Mia and Whitney's relationship and wreaks havoc on both their lives. As the case ignites a media firestorm and unrelenting online bashing from a Greek chorus of internet snarkers, Whitney has to decide whether she's willing to risk everything she's built to win back her daughter.

Ninja Future Gary Shapiro, 2018-12-31. NATIONAL BESTSELLER. *Ninja Future* is an essential read for businesses and individuals striving to remain competitive in a rapidly evolving world. Gary Shapiro, the president and CEO of the Consumer Technology Association, casts his eye toward the future, charting how the innovative technologies of today will transform not only the way business is done but society itself. During his more than three decades at the head of the Consumer Technology Association, Gary Shapiro has witnessed and been a part of one of the most extraordinary periods of technological change in human history. Today's world is almost unrecognizable from that of just a decade or two before. In just a few short years, the internet has already transformed how we access information, purchase goods, get from place to place, and do our jobs. And even greater changes are on the horizon. In *Ninja Future*, Shapiro explains the evolving technological landscape, breakthroughs underway now, and those we can only envision. New innovations such as self-driving vehicles, blockchain, 5G, the Internet of Things, and countless others will forever change the economy as we know it. Shapiro uses case studies to identify companies and countries addressing today's challenges particularly well and relates lessons from those that have stumbled. Drawing on the insights he has gleaned as a martial arts black belt, he shows how businesses can move to succeed in today's turbulent environment by adopting the
