A Soaring Season Aaron Bracy, 2025-03-01

The 2003 04 season was a dream for anyone in the orbit of Saint Joseph s basketball Being a student on Hawk Hill at the time I lived every second of it and long assumed I knew everything imaginable about that team and that time Aaron Bracy proved otherwise A Soaring Season isn t only a joyous echo of those days but it s a deeply reported dive into all the coincidental circumstances required for ordinary people to go extraordinary places

Brendan Quinn The Athletic In the 2003 04 season Saint Joseph s became the most unlikely and most incredible story in college basketball The underdog Hawks captivated the entire city of Philadelphia and much of the nation with a unique guard oriented style and team first mentality featuring players who were not wanted by power conferences Big time programs passed over star point guard Jameer Nelson because of his height but Nelson played an oversized sensational game that dwarfed his 5 feet 11 inches height Nelson s backcourt mate Delonte West was a lightly recruited prospect out of high school but transformed himself into an NBA first round draft pick with a work ethic and competitive drive that never had been seen before or since on Hawk Hill

Outspoken head coach Phil Martelli overlooked for the only job he had ever wanted until he was nearly 41 years old surrounded Nelson and West with a perfect cast of complementary players Individually none of Nelson and West s teammates would be mentioned as an All American candidate Put all of the Hawks together however and you had a practically unstoppable force Not only did the players accept their roles they relished them And each one s contribution from Nelson and West all the way down to former cheerleader and walk on Robert Hartshorn was crucial to the entire team s success The Hawks spurred on by a mascot who never stops flapping its wings and a never quit school mantra The Hawk Will Never Die played their games in a gym that wasn t even as modern as many high schools Not much about the Hawks home felt big time not much that is except their team It was this low budget mom and pop men s basketball program that overcame seemingly

insurmountable odds to complete a perfect regular season rise to the unanimous No 1 ranking in the country and become the envy of the blue bloods of the sport St Joe s provided hope then and today by reminding everyone that you don t have to be the biggest to beat the biggest or have the best to be the best **USA Today Index** ,1996 *Brandweek* ,2005 **The Basketball 100** The Athletic,David Aldridge,John Hollinger,2024-11-26 A celebration of basketball by way of the 100 greatest players to ever grace the court in the history of the NBA from The Athletic s foremost basketball writers and analysts the game has to offer With a foreword by Charles Barkley Over the course of 100 luminous player profiles the best sports newsroom on the planet paints vivid portraits of the game s most compelling characters There s George Mikan who was cut from his high school team because he wore glasses then went on to become the fledgling NBA s first transcendent star Gary Payton called The Glove for his skintight defense who talked as much trash to his teammates as he did to his opponents on the court Dennis Rodman who started playing basketball at age 20 and in a few short years went from working as a janitor at the airport to being one of the strangest superstars that sport has ever known Allen Iverson who drew inspiration from hip hop for his inimitable style and swagger on and off the court Kareem Abdul Jabbar who was so dominant in the paint that they changed the rules and Steph Curry who was so dominant outside it that he seemed to expand the very boundaries of the court The Basketball 100 edited by award winning reporters David Aldridge and John Hollinger also answers the game s toughest most important questions How should we weight championship rings versus statistical profiles versus the eye test Were the great players of yesteryear like Wilt Chamberlain and Bill Russell propelled by the inferior athleticism of their competition or would they have been transcendent in any era And of course who s the GOAT MJ or LeBron Speaking of GOATs for the book Hollinger inventor of the statistical metric PER has created a new benchmark GOAT Points Wonderfully written authoritative and full of joy The Basketball 100 is a fitting tribute to the greatest sport in the world Net Kids Michael Wolff,NetGuide,Netguider Staff,1996-11-12 As the media becomes filled with stories about Cyberspace dangers parents seek qualified guides so they can better manage children s online time This comprehensive directory featuring more than 5 000 entries and covering all major on line services gives parents complete information about games school related subjects chat areas and more **The New York Times Index** ,2005 **Current Biography Yearbook** ,2009 Current Biography Yearbook H.W.
