Cleveland Barons should never have existed Born when the National Hockey League s California Golden Seals another team
that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of
hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had
going for them was the state of the art arena they played in which was all but empty for nearly every game they played This
book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports
team created in an expansion splurge is moved in an effort to save it to a city that doesn t really want it
