**Records of Social and Economic History**, 1986      The Early Records of Medieval Coventry Peter R. Coss, 1986 This collection of documents in English translation brings together all available sources for the history of this important seignorial borough during the 12th and 13th centuries

**Early Records of Newport, Shropshire C.1150-c.1650** Judith Everard, 2024 This volume gathers together the early records of Newport Shropshire which survive in large numbers the majority from three sources the archives of the town corporation of the Newport family later earls of Bradford and of the Leveson family later dukes of Sutherland Others were traced in a variety of local and national archives Just over 500 charters title deeds are included as well as several accounts and court records The royal charters confirming the burgesses privileges and the archive of the medieval corporation combine to tell the story of the townspeople s aspirations to a degree of self government and their careful management of the resources at their disposal The many title deeds that then make up the bulk of the volume are a rich source for the life of a medieval English town and its people back cover
