Baker, 2025-07-06 If you're the kind of person who's willing to try something DIFFERENT then you might love this enemies to lovers horse shifter romantasy series Are you ready for stallion shifters strong possessive heroes and smart yet flawed heroines

BOOK ONE My Queendom for a Horse Kristiana Liepa was supposed to use the money to save her family farm She was NOT supposed to spend it all to save a massive black stallion But when she saw how he was being treated what's a vet to do She had no idea that gorgeous beast was really a powerful and morally gray magician who had been cursed by a witch or that she was the only one who could reverse the curse And she couldn't possibly have known how that one rash decision would irrevocably change her life and his Still not sure Publisher's Weekly said My Queendom for a Horse is an intriguing paranormal romance with a fresh and fun setup Readers will enjoy both the magical and romantic elements The story of a shapeshifting horse is undoubtedly unique The author puts a dynamic spin on fairytale tropes while her knowledge and love of horses is evident throughout A strong confident female character takes center stage in this novel with her ability to talk to a cursed horse

BOOK TWO My Dark Horse Prince Mirdza Strelkova should have minded her own business on the long train ride because she knew just how nasty violent men could be Or perhaps that's precisely why she stepped in to help the frightened mother and terrified child But in her wildest dreams she never imagined she'd be tossed out the window of a moving train broken and bleeding And she never could have predicted the dark horse who would come to her aid or the comeback story that lay before them both Publisher's Weekly said My Dark Horse Prince is a fast paced action filled romance with bonus elements of fantasy and mob violence This action packed fantasy romance follows Mirdza Strelkova and her shape shifting love interest Grigoriy The narrative will ensnare readers from the start traveling a twisty road that culminates in a cliffhanger ending though the conclusion's loose ends may be disappointing to some given the sheer length of the novel Baker's prose is clear distinct and descriptive overall facilitating the fast moving plot The book's unique combination of romance and fantasy is appealing but more clarity and explanation as to the nature of the story's magic would be helpful Readers should be aware of trigger warnings given the profuse domestic violence scattered throughout Overall the characters were complex and compelling and Baker's choice to feature a strong female character who is in a wheelchair was refreshing

BOOK THREE My High Horse Czar Adriana's stuck between a rock and a very hard very dangerous place It's not the first time she's ever been in trouble but it is the worst When her twin sister Mirdza calls and tells her she's going to be killed unless Adriana surrenders herself in half an hour Adriana figures she doesn't have much to lose But she has no idea how much excitement her future holds or whose protection she's about to awaken The scrappy fighter who has vowed never to date or marry is about to meet her match in the highest horse shifter in existence the displaced Czar of Russia himself
