Married to Him, Addicted to You Lana Yves,2025-10-07 My love for Sebastian Thorne is a ghost that never left me It is a shadow in my marriage a whisper in my quiet moments a flame that refuses to be extinguished When I sleep he is the star of every dream My days are a waking fantasy filled with thoughts of him The lust I feel is a dangerous unspeakable current but the love the love is an anchor in my soul incomparable to any other For years I lived at the mercy of my own devotion long before Sebastian Thorne ever knew I existed We attended the same secondary school moved in the same circles yet I was utterly invisible to him Why wouldn t I be I was the plump shy girl hiding behind a constellation of pimples and a body that developed too much too soon I was convinced the only reason I had any friends at all was because my mother was the school s Principal But Sebastian Sebastian was a god The most handsome boy in school desired by every girl and flirted with by even our boldest teachers So when he finally finally turned his gaze on me the world stopped I was flabbergasted I was electrified I was so young when I gave myself to Sebastian Thorne He was my first everything my first real kiss my first taste of passion the first boy to make me feel truly seen and utterly desirable He took my virginity he claimed my heart and then he shattered it He was in love with someone else Heartbroken and determined to start over I left London for university in Portsmouth without a single goodbye Especially not to him But fate is a cruel and cunning playwright Our paths have crossed again and the embers of our past have exploded into an inferno The passion between us has resurged with a force that threatens to obliterate everything in its path There is just one devastating problem I am a married woman with a family My husband is a good man a kind man But he has never set my soul on fire Now I am tangled in a web of my own making risking the stable life I built for the intoxicating man who broke me When my husband discovers my illicit affair with Sebastian will his kindness be enough to forgive me Only time will tell **The Soulmate Accident - Dessert Baker** RICK.

RED,2025-05-22 Ever been caught in an accident that turns out to be the best thing that ever happened to you While most people relate accidents with unfortunate outcomes they do not realise that during those accidents destiny is at play and what you might believe to be the worst possible scenario it could very well be the beginning of the best thing in your life When you lack the courage of doing things for yourself an intervention of destiny is your only hope When you get everything that you ever imagined what would you do if you are made to believe that you screwed up again and there is a chance that you lose everything all over again Would you realise what is actually going on or would you be solely focused in protecting what you have however you can Would you be able to take everything if you get it accidentally because love is never accidental even if it is with the dessert baker [The Soulmate Accident - Keyholder to My Heart](#) RICK.
