*Seductions Exposed* Gary L. Greenwald,2003-05-01 If you've ever ended a relationship you knew wasn't God's will for your life but you can't seem to stop thinking about that person. If your behavior is being influenced in a negative way by people you come into contact with. If you're cursing yourself through forbidden statues, jewelry, and practices. It's time for you to break free from the ties on your soul. Dr. Gary Greenwald will explain how the transference of spirits and soul ties can create dominion over your life. Learn how to defeat the deceiving spirits that control many of the things you come into contact with every day. You can be delivered into a life ruled only by the Holy Spirit. **I Almost Loved You** Victoria F.

Thomas,2017-09-28 The plan was foolproof it is not a typo. She brought the dress. He surprised her with the ring. The wedding date was set. Counseling was over. They were going to Paris to take the honeymoon to the moon. Is marriage roses, rings, cars, and things. Marriage requires a strong foundation to withstand the storms and process the problems through. Relationships take a lot of effort. You must arm yourself. Be willing to add application and cultivate your partner to be successful. Cook up some good ingredients with your partner: love, time, patience, respect, sharing, giving, peace, forgiveness, honesty, commitment, support, laughter, security, and prayer. The question is what are you going to do. Paul said in the book of Romans: Marriage has its own troubles. If you're married, it came with issues. Some people are very difficult to deal with as an individual. Do not be fooled. If love remains and the person is willing, love can still conquer within the distorted pain. Who will enjoy Valentine's with me? I used to get flowers on my anniversary. I don't have to figure out if we will spend Thanksgiving at his parents or Christmas at my family's. I saw the movie *Fireproof* on July 28, 2014. This powerful movie is another learning tool about relationships and committing to love under the contract of God's Word. If you are married, engaged, separated, single, and entertaining the thought of divorce, please see it. Have you been told, "I don't love you anymore." We tend to think of relationships as being glass proof. We have heard of the terms fireproof, glass proof, and waterproof. However, are there relationship proofs? If something is fireproof or waterproof, nothing can penetrate it. God's original plan was foolproof. Man did things his way, and thus it became fool proof. Turning his plans against God only left him foolish. The man pops the question. The monies are saved for the big day, expecting everything to be perfect. I own a safe and a waterproof watch. The contents inside are supposed to be protected from what may happen on the outside. If there is water or a fire, the contents may be safe. However, if there is an earthquake, the inside and outside would be destroyed. I heard the definition of the words covenant and contract. It really shed light on the meaning of those words as I had never heard before. Do you think you know the difference? Can something last forever? Before you answer these questions, you need to dive into this book that will help identify destructive behaviors as we pull away some layers to further support our passion for wholesome relationships concerning how to best formulate the opportunity to enjoy and experience relationships as they evolve and form. **Defeating Dark Angels** Charles H. **Charisma and Christian Life**, 1991-07 [Pentecostal Insight in a Segregated US City](#) Frederick Klaitis, Michael Richbart, LaShekia Chatman, 2022-06-16 In *Pentecostal Insight in a Segregated U S City* Frederick Klaitis compares how members of one majority white and two African American churches in Buffalo New York receive knowledge from God about their own and others life circumstances In the Pentecostal Christian faith believers say that they acquire divinely inspired insights by developing a relationship with God But what makes these insights appear necessary This book offers a novel approach to this question arguing that the inspirations believers receive from God lead them to take critical stances on what they regard as ordinary understandings of space time care and personal value Using a shared Pentecostal language believers occupying different positions within racial class and gender formations reflect in divergent ways on God's designs In the process they engage critically with late liberal imaginaries of eventfulness and vitality to envision possibilities of life in a highly unequal society This text incorporates commentaries on Klaitis ethnography by LaShekia Chatman and Michael Richbart junior scholars who have also studied and been part of Pentecostal communities in Buffalo

you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield s family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela s life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge and grace to separate agape love for her mother and her abusers from their indiscretions Latangela s life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0 *Paperbound Books in Print* ,1992

sex creates spiritual soul ties that form an attachment network in the electromagnetic cosmic realm identified as the spirit realm. It applies bonding attachment and shared circuit theories to this conceptualization. It premises that sex creates soul ties that can result in either cooperative or combative relationships that impinge on creativity that ultimately affect wealth creation. It pools together applications from religious, spiritual, mythical, and historical sources and examines these in the light of sexual dynamics. The wisdom outlined might be useful for those willing to explore their sexuality to deepen their interpersonal relationships.

Edgar Cayce on Soul Mates Kevin J. Todeschi, 1999. Is there really such a thing as soul mates? According to Edgar Cayce, yes. But his definition of soul mates, twin souls, and perfect partners may differ from what you're expecting. For decades, Cayce provided thousands of individuals with insights into the nature of their personal relationships, the dynamics of soul attraction, and the universal laws at work that draw individuals together. What is unique about Todeschi's book is that it explores the development of relationships over time played out within the framework of reincarnation. In addition to discussing soul mate relationships, their connection to the cyclic pattern of reincarnation, and the nature of loneliness, this book looks at the fundamentals of soul attraction and provides contemporary examples of the same principles discussed by Cayce.
