**The Ultimate Sleep Easy Guide** Shawn Walker,Chris Stevenson,2020-02-14 Do you want to live happier and serene days by understanding how to sleep better and completely eliminate your daily stress and negative feelings What is sleep The most common answer and belief is that it s just a time during which our body and mind stop working In reality what actually happens is nothing like that sleep is an extremely important and active period during which many vital processes take place Getting good sleep is vital for your well being and health Without proper sleep your body won t be able to regulate its hormones or rest your muscles and your cortisol levels will skyrocket along with your stress You might not know this but about half of the global population suffers from 70 different sleeps disorders with more or less serious repercussions to their everyday life among a list of many we can find sadness stress and drowsiness during the day lack of energy or constant

tiredness When you are not sleeping well your body and mind are not functioning properly and this can affect your day quite a bit The effects can vary maybe you might not be able to carry out simple tasks like getting along with others or more complex ones like working on a project with an imminent deadline By sleeping you restore your body and mind regaining that mental and physical strength necessary to face the following day The purpose of this book after months of research is to give you the most up to date and relevant sleep hacks discovered all around the globe to help you live a happier and better life Here s the benefits that you will gain from reading this book Greatly improved sleep quality while teaching your body how to sleep for the right amount of time The elimination of all feelings of drowsiness lack of concentration during the day Reduced levels of Daily Stress and Anxiety More energy than you ever dreamed of Improved relationships along with your emotional and social intelligence Healthy brain functions and mental health Better physical health and better control of your body A boost in your daytime performance productivity and efficiency The ultimate 30 sleep secrets to effectively turn your life around The ultimate sleep easy guide is full of practical teachings that will have an immediate and positive impact on your life Instead of just telling you what you should do we provide you the best science based practical fact that can create lasting and real changes in your life if applied to your routine on a regular basis If you want to know more don t be anxious relax and Scroll to the top of the page and press the buy now button [The Art of Restful Sleep: Practical Sleep Hygiene Tips](#) Fingley,2024 [How to Sleep Well](#) Ted Peace,2020-02-12 There is nothing more frustrating than being unable to sleep Tossing and turning over Your mind is racing running over all of today s happenings Noise from the night keeps you awake What are you going to do There are things you can do Read on and learn to sleep well with some new tricks When insomniacs adhere to strict sleep hygiene adapt to good lifestyle behaviors and use behavioral modification interventions that can teach the subconscious mind to fall asleep then they can return to standard healthy sleep patterns and fall asleep quickly and well at night Do not take insomnia medicine such as sleeping pills if you want to permanently and effectively cure your insomnia because sleeping pills are insomnia treatment only for the short term and it can not change your subconscious mind to help you fall asleep quickly and well every night Many people are afraid to camp because they don t think they re going to sleep well This was often the result of a bad childhood experience where they slept in a cheap sleeping bag on the wet ground etc The reality is that it can be refreshing and comfortable to sleep outside especially if you are planning for some effort and have the right equipment We all know we re good at waking up early We can practice we can study we can work Just have more of a life But it s hard for most people to sleep well and wake up early and clean I know in the morning a lot of people are feeling bad Here are some tips and tricks I ve learned over the years that will help me to sleep better and to wake up recharged Sleeping allows you to rejuvenate and refresh yourself but here we discuss how much you need to sleep and what are the side effects of sleeping less Sleep was seen as just a time when you re not awake but a detailed sleep study found that it s far beyond that sleep has different levels and stages **Effective Guide on How to Sleep Well Every Day** Vitaliv

AS, David Ericson, Stop If you have been suffering from sleepless nights then this is the book you've been looking for

**Effective Guide on How to Sleep Well Every Day** is a new book based on hundreds of case studies from what the author calls Super Sleepers. People in this group all share one thing in common: they sleep exceptionally well despite common setbacks like Shift Work, Old Age, Frequent Travelling, Having young children, High Stress Jobs Like CEO's, Doctors and Firemen. If any of the above describes you, then read on. In the pages of this guidebook, you will discover:

- What to do if you ever wake up at night page 41
- 6 specific ways to reduce stress instantly, at least one is GUARANTEED to work for you page 62
- How to use Yogurt for improved sleep all night page 90
- A basic psychology shortcut that will rewire your brain for sleep page 75
- Six types of drinks that calm you down and induce sleep naturally page 92
- 3 tips for great sleep for older adults page 105
- One special breathing exercise that induces sleep instantly page 70
- 3 hacks for better sleep for night shift workers page 107
- A simple technique for breastfeeding mothers that regenerates energy with no effort page 103

You could call these simple secrets recipes for success or hacks because they will give you little shortcuts to get exactly what you want out of sleep.

**Why Choose This Book?** **Effective Guide on How to Sleep Well Every Day** is not like other books that give you advice on some parts of the sleep process but never the full picture. In this book, you will get the full story: All the way from what kind of pillow works best to how your diet impacts your sleep. For example, here's what you'll discover about your bedroom setup:

- How to prevent your mattress from giving you stress because it does page 50
- How to improve your bed with bricks and why it works page 51
- The best and worst materials for great sleep page 52
- The 1000-year-old miracle pillow used by pharaohs that fixes your back pain page 54
- The 4 essential oil fragrances to use to banish stress every time you walk into your bedroom page 56
- What to do if climate forces you to sleep in a humid, arid room page 59
- How the timing of your meals can change your sleep effectiveness page 79

**How To Sleep While Travelling:** Getting enough quality sleep while traveling can be especially difficult, and that's why we have dedicated an entire section to this topic. In just a few pages, you will discover how to:

- The one thing you can bring from your bedroom that will almost guarantee the perfect sleep in any hotel page 110
- The one-button Hotel TV Trick that will ensure a better, deeper sleep page 110
- 2 simple tools that double your chances of sleep on a plane page 110
- What to avoid on a plane for better sounder sleep; hint: this is very counterintuitive page 110

**In The Author's Own Words:** It has taken me years of research and months of writing to put this book together. I've included techniques that I've never seen posted elsewhere, so even if you've read every other book out there, you're bound to discover at least one new thing about your sleep. For example:

- How to make your dreams more vivid, memorable, and interesting with this one entertaining tool page 66
- Three types of meditation that have been proven to improve sleep page 68
- A specific way to breathe to test your levels of anxiety and reduce them at the same time page 72
- The arch-enemy food of sleep; hint: it's NOT caffeine page 80
- 5 delicious foods to eat tonight for better sleep page 86

And much, much more. If your sleep has been bothering you, then this book may just change your life. I certainly hope it does. And with that, I urge you to click that Buy Now button and see for yourself. David
