Accounting Information Systems Gelinas Chapter 12:

Accounting Information Systems Ulric J. Gelinas, Richard B. Dull, Patrick Wheeler, 2018-09-01 Today's accounting professionals are challenged to identify enterprise risks and provide quality assurance for a company's information systems. ACCOUNTING INFORMATION SYSTEMS 11th International Edition focuses on three critical accounting information systems in use today: enterprise systems, e-Business systems, and controls for maintaining those systems. Students will easily grasp even the most challenging topics as they explore today's most intriguing AIS topics relative to business processes, information technology, strategic management, security, and internal controls. The 11th International Edition provides students with the tools for organizing and managing information to help them succeed and protect the integrity of their employer's information system. *Accounting Information Systems* Edward L. Budgeting Concepts for Nurse Managers Steven A. Finkler, Christina M. Graf, 2001

This book helps nurses develop and refine good budgeting skills, a necessity in today's economy-driven health care system. Clearly written and thoroughly understandable, this new edition shows first-line nurse managers and their immediate supervisors how to work effectively with financial staff and management and how to develop, monitor, and maintain departmental and institutional budgets. It is written at a level that assumes no previous financial management experience or expertise on the part of the reader.
