**Boudoir Lighting** Robin Owen, 2014-09-22 Boudoir portraits are intimate by nature They provide an intimate private look at subjects and are intended for those who have a close emotional relationship with the subject or in some cases are made for the subject herself Creating images that capture the romantic sensual side of a subject requires a masterful approach All components of the photography from the photographer client relationship to the setting to the clothing selection to the posing and lighting must be carefully thought out and flawlessly executed In this book Robin Owen shows off her uncanny skill at creating 60 sweet and sexy images of women and couples As you turn the pages you will find discussions detailing the artistic approach used to photograph each client and you will see alternate shots from the session which are sure to inspire additional ideas for your own boudoir clients From one page spread to the next Olson provides important insights into sculpting the look you are after You will learn to work with unexpected lighting configurations and modifiers You will find and learn how to create unlikely settings among many other creative considerations that allow you to create images that stand out from the competition With a surprising array of image looks to inspire your creativity and targeted technical discussions this book provides both the impetus and the know how you need after to get out there and create unforgettable images

**Sexy Curves** Tammy Warnock, 2015-08-11 Boudoir photographs are intimate images created of a woman in a private read intimate space The term boudoir in translation means bedroom and images created in the boudoir style whether they are indeed created in a woman's boudoir or in a makeshift bedroom within the walls of a photographic studio are strictly feminine The subjects may be adorned in fine lingerie or perhaps may be shown in the act of dressing or undressing The images are sensual flirty and always beautiful Clients book boudoir sessions to celebrate their sensuality and femininity For some the goal is to document a special phase in life or simply to find a new way to see herself Other women seek to book a boudoir session with the goal of providing a significant other with a highly personal and perhaps playful gift Regardless of her motivation her expectation is that her photographer will be able to amplify her assets minimize any perceived figure flaws and create a beautiful evocative work of art In order to meet and exceed her clients expectations photographers must have a wealth of technical knowledge just which camera angles exposure settings lens selections and lighting patterns will create the desired look and a facility with coaxing form flattering poses that lengthen legs whittle waistlines enhance the bust and somehow look and feel natural not contrived The expression that is elicited must suit the mood of the image too And of course there are fragile egos at play Yes working with a scantily clad subject under the scrutiny of a lens is a tall order Sadly each of those concerns can seem magnified when working with the plus sized boudoir subject In this book Tammy Warnock presents a tangible easy to follow recipe for creating va va voom images of plus size clients that celebrate every sexy curve She introduces readers to 60 real life subjects and investigates the intricate details of conceptualizing and crafting a sensational plus size boudoir session For each session presented for review readers will learn about the client's objectives

Why did she book the shoot What was the mood or feeling or theme she had in mind Tammy will share the strategies she used to create rapport with the client boost her confidence and ensure a positive praise and referral worthy experience The artistic elements of the shot backdrops props and styling and corrective posing and lighting strategies are detailed as well culminating in an inspiring and instructional framework that readers will rely on whenever any boudoir subject calls for services

**Confident Posing for Boudoir** Mert Oktay, Boudoir posing isn't about memorizing 100 sexy poses It's about direction that feels safe natural and flattering for real people in real bodies with real nerves in the room When someone books a boudoir session they're not hiring you for poses They're hiring you for confidence the kind that shows up as relaxed shoulders soft hands a believable gaze and a body language story that feels like them Your job is to create a space where confidence can happen on purpose This book is built around one core idea Great boudoir posing is a sequence of micro decisions tiny repeatable adjustments more than big poses A chin that moves 2 centimeters A hand that relaxes from claws to fingertips A hip that rotates slightly A breath that slows A camera height that shifts from power to soft When you learn to spot and guide these micro moves your sessions stop feeling like guessing and start feeling like a smooth professional flow If you do one thing after reading stop saying Okay now pose and start saying one micro direction at a time Confidence is built in small wins and your client will feel it
