Burton On Burton:

Burton on Burton Tim Burton,2008-11-20 Tim Burton is one of the great modern day visionaries of cinema a director who has fabricated his own deliciously nightmarish universe in movies as extraordinary as Beetlejuice Edward Scissorhands Mars Attacks and The Nightmare before Christmas not to mention his twisted takes on the tales of Batman Sleepy Hollow and Planet of the Apes Following the release of his re imagining of Roald Dahl s Charlie and the Chocolate Factory with long time comrade Johnny Depp who also provides a new foreword here this updated and fully illustrated new edition of the definitive Burton interview book casts light on Burton s Burbank childhood his early work at Disney the recurrent themes and stunning designs of his movies and the creative obsessions that fuel them **Burton on Burton, 2nd Revised Edition** Tim

Burton,2006-09-19 A revised edition of the only book to explore the unique brilliance of director Tim Burton s work including a new chapter on the making of Sleepy Hollow Still only in his thirties Tim Burton has established himself in the past fifteen years as one of the great visionaries of film With the Batman films Beetlejuice Edward Scissorhands The Nightmare Before Christmas Ed Wood and most recently Sleepy Hollow he has continually broken new ground both visually and thematically exploring the dark anguish as well as the dark humor that animates many of his characters while also creating a densely textured sometimes bizarre look specific to each film In Burton on Burton Burton talks to Mark Salisbury about his training as an animator at Disney the importance of design in his films and the recurring themes present in his work In this revised edition he also discusses the influence of 1950s sci fi and 1970s disaster films on Mars Attacks as well as how he conceived his highly stylized approach to the content and setting of Sleepy Hollow his acclaimed retelling of the Washington Irving story that stars Johnny Depp perhaps the actor most identified with Burton s work Enhanced by stills from the films storyboards and illustrations of set designs for all his major films Burton on Burton provides insights and information about the man and his work throwing light on both his unique artistic vision and on the extraordinary films that have been the result **Burton on Burton** Tim Burton,1995 A pack consisting of a video cassette of the Tim Burton film Edward

Scissorhands and a book in which Burton discusses his experiences as an animator with Disney and his dreams private problems and triumphs The illustrations include drawings of the characters who inhabit his inner world *Tim Burton* Tim

Salisbury,Mika Tiirinen,Mika Siltala,Mika Seppälä,2000 **Tim Burton** Ronald S. Magliozzi,Jenny He,2009 With a visual

style inspired by the aesthetics of animation and silent comedy Tim Burton has reinvented Hollywood genre filmmaking over the past three decades melding the exotic the horrific and the comic and manipulating expressionism and fantasy with the skill of a graphic novelist Published to accompany a major retrospective at The Museum of Modern Art this volume considers Burton s career as an artist and filmmaker It narrates the evolution of his creative practices following the current of his visual imagination from his earliest childhood drawings through his mature oeuvre Illustrated with works on paper moving image stills drawn and painted concept art puppets and maquettes storyboards and examples of his work as a graphic artist for his nonfilm projects this exhibition catalogue sheds new light on Burton and presents previously unseen works from the artist s personal archive *The Art of Tim Burton*, 2009 **Tim Burton** Jim Smith, J. Clive Matthews, 2007 One of the most influential and resolutely maverick directors in modern Hollywood Tim Burton has consistently demonstrated versatility without sacrificing the thematic and stylistic unity of his work From his surprising career start as an animator at Disney to his diverse film projects such as the striking *Batman* and *Sleepy Hollow* to the smaller more personal *Ed Wood* Burton has left a personal mark that identifies him as one of contemporary cinema s visionaries Featuring a range of old and new interviews with key figures contemporary criticism and a look at Burton s forgotten piece *Luau* this authoritative guide is a crucial release for Burton fans and anyone interested in the creation of unorthodox mainstream cinema *Burton's War* Regina Smeltzer, 2020-11-06 Burton Wilfong a teen during World War II kept a diary during those tumultuous years Burton s *War* blends fiction with the realities of being a male teen during World War II to create an historically accurate novel **The Melancholy Death of Oyster Boy & Other Stories** Tim Burton, 2005 Twenty three illustrated gothic tales from the dark corridors of the imagination of Tim Burton Burton the creative genius behind *Batman* *Edward Scissorhands* *Mars Attacks* and *Nightmare Before Christmas* among others now gives birth to a cast of gruesomely sympathetic children misunderstood outcasts who struggle to find love and belonging in their cruel cruel worlds His lovingly lurid illustrations evoke both the sweetness and tragedy of these hopeful yet hapless beings *Tim Burton's the Nightmare Before Christmas* Daphne Skinner, 2007 **Lost and Othered Children in Contemporary Cinema** Debbie C. Olson, Andrew Scahill, 2012-05-18 Children have been a part of the cinematic landscape since the silent film era yet children are rarely a part of the theoretical landscape of film analysis *Lost and Othered Children in Contemporary Cinema* edited by Debbie C Olson and Andrew Scahill seeks to remedy that oversight Throughout the over one hundred year history of cinema the image of the child has been inextricably bound to filmic storytelling and has been equally bound to notions of romantic innocence and purity This collection reveals however that there is a body of work that provides a counter note of darkness to the traditional portraits of sweetness and light Particularly since the mid twentieth century there are a growing number of cinematic works that depict childhood as a site of knowingness despair sexuality death and madness *Lost and Othered Children in Contemporary Cinema* challenges notions of the innocent child through an exploration of the dark side of childhood in contemporary cinema

The contributors to this multidisciplinary study offer a global perspective that explores the multiple conditions of marginalized childhood as cinematically imagined within political geographical sociological and cultural contexts *The World of Tim Burton* Tim Burton, 2015 His films are cult whether Beetlejuice Edward Scissorhands The Nightmare before Christmas or Alice in Wonderland Less well known but no less relevant is the artistic work that Tim Burton creates outside of Hollywood His drawings and paintings his poems and short stories delight his fans just as much as his adventures on the silver screen In the spirit of Surrealism Burton playfully blends elements from popular culture cartoons and comic books B movies as well as gothic culture The catalogue affords fascinating insight into the bizarre magical imagination of this exceptional multimedia artist And like the title of his new film these pictures leave the viewer in amazement inspired and with Big Eyes **The Directory of Directors**, 1887 ., 1874 *Burton's Book on California and Its Sunlit Skies of Glory* George Ward Burton, 1909 A Genealogical and Heraldic History of the Landed Gentry of Great Britain Sir Bernard Burke, 1914 Tim Burton par Tim Burton Johnny Depp, 2000 Des entretiens de Tim Burton sur ses différents films Beetlejuice Batman Edward aux mains d'argent Mars attacks Sleepy Hollow *The American Catalogue*, 1905
