COVER LETTER

Dear [Recipient's Name],

I am writing to express my interest in joining IBM as a [specific position]. As a recent graduate from [Your University] with a degree in [Your Major] and practical work experience, I am eager to contribute my skills and knowledge to IBM's innovative and forward-thinking environment.

During my time at [Your University], I gained a solid foundation in programming, data analysis, and software development. My coursework and projects have allowed me to develop proficiency in languages such as Python, Java, and SQL. I have also honed my skills in Agile methodologies, ensuring the delivery of high-quality products within tight deadlines.

In addition to my academic achievements, I have gained valuable experience through internships and part-time roles. As a [Previous Position] at [Previous Company], I worked on a team that developed a data-driven solution to optimize inventory management for a major retailer. This experience taught me the importance of collaboration, effective communication, and critical thinking when tackling complex challenges.

IBM's commitment to creating innovative solutions and fostering a culture of continuous learning and development aligns with my passion for technology and personal growth. I am confident that my academic background, work experience, and dedication to excellence make me a strong candidate for a role at IBM.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can contribute to IBM's continued success and growth.

Sincerely,
[Your Name]
