**Undercover Bridesmaid: A Tale of Reluctant Boy to Girl Transgender Transformation** Nicole C, Logan can't stop laughing at his sister Sophie. She's been roped into yet another bridesmaid gig this time for Clara, her influencer friend turned nightmare bridezilla. Clara demands absolute perfection, endless fittings, nonstop drama, and seemingly endless carefully choreographed TikToks to showcase her perfect wedding week. It's all a joke to Logan until one bridesmaid finally cracks under the pressure and quits. The problem Clara can't know and the remaining bridesmaids are desperate to do some damage control. They just need a replacement, someone convincing enough to slip into the role without Clara ever noticing. Now Sophie's staring at her brother. With his similar features and Clara's self-obsession blinding her to anything but her own reflection, maybe Logan could be their secret stand-in.

Voices of Transgender Children in Early Childhood Education Ashley L. Sullivan, Laurie L. Urraro, 2019-06-29. This volume explores transgender children and internalized body normalization in early childhood education settings steeped in critical methodologies including post-structuralism, queer theory, and feminist approaches. The book marries theory and praxis, submitting to current and future teachers a text that not only presents authentic narratives about trans children in early childhood education but also analyzes the forces at work behind gender policing, gender segregation, and transphobic education policies. As the struggles and triumphs of trans individuals have reached a watershed moment in the social fabric of the United States, this text offers a snapshot into the lives of ten transgender people as they reflect on their earliest memories in the American educational system.

**Katie v Peter** Emily Herbert, 2010-11-04. Celebrity couple Katie Price and Peter Andre have separated after three and a half years of marriage, and the tabloid cat fight has been escalating towards what will unquestionably be the most high-profile divorce of the decade. With accusations and underhand comments trading camps on a daily basis and Katie's on-off relationship with cage fighter Alex Reid, Peter has broken his silence on their split, and things have turned nasty. With a truly fairy-tale wedding at Highclere Castle in Hampshire, complete with pink Cinderella-style horse-drawn carriage, the couple went on to have two children, Junior and Princess. But the happy ever after was simply not to be, and the couple's very public relationship has ended with a very public divorce. In this insightful and emotive book, author Emily Herbert takes a look at the couple's relationship, their break-up, and their divorce.
