Nba Preseason Deal:

National Basketball Association Franchises Frank P. Jozsa Jr.,2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large mid-sized or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective

Sports Capitalism Frank P. Jozsa,2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women's sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials

International Sports Law and Business Aaron N. Wise,Bruce S. Meyer,1997-05-23 This comprehensive three volume set focuses on the legal and business aspects of sports in the United States and abroad The authors have presented the subject matter from a practical and pragmatic perspective yet with analytical precision and attention to fine points of detail This book is composed of five parts Part I deals with the law and business of sports in the United States with the primary emphasis on the legal aspects of professional sports Part II deals with the internationalization of sports from various perspectives principally North American team sports Part III explores the law and business of sports in 18 non U S jurisdictions subject matter hardly covered in other sources if at all Part IV treats the legal and to some extent business aspects of broadcasting and sports both in the United States and in selected foreign jurisdictions Part V focuses upon sports marketing in its various forms in the United States as well as its international perspectives This easy to read work is unmatched in that it covers subjects not addressed or only tangentially addressed in other works presents insiders

perspectives on the subject matter and focuses extensively on international aspects of sports law and business in connection with many different subjects Among its exhibits International Sports Law and Business includes a World League of American Football Standard Player Contract form a sample World League of American Football Acquisition and Operation Agreement Statute of Court of Arbitration for Sport and Regulations It also includes a comprehensive index *Sports Marketing* Sam Fullerton,2024-05-15 Formerly published by Chicago Business Press now published by Sage Sports Marketing Fourth Edition guides students in gaining a better understanding of how to develop and implement marketing strategies and tactics within the sports marketing industry Author Sam Fullerton provides thorough coverage of this discipline s two broad perspectives the marketing of sports products and creating a sports platform as the foundation for the marketing of nonsports products
