Second Latin reader, with notes by A.H. Bryce Archibald Hamilton Bryce, 1863      Second Latin Reader Archibald Hamilton Bryce, 1863      Corderii colloquia Mathurin Cordier, 1835      **Mass Media and American Politics** Johanna Dunaway, Doris A. Graber, 2022-02-05 A comprehensive trusted core text on media's impact on attitudes, behavior, elections, politics, and policymaking. Mass Media and American Politics is known for its readable introduction to the literature and theory of the field and for staying current with each new edition on issues of new and social media, media ownership, the regulatory environment, infotainment, and war-time reporting. Written by the late Doris Graber, a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics, and now led by Johanna Dunaway, this book has set the standard for the course. New to this edition: Extensive coverage of political misinformation, the role of changing communication technologies, and mass media more generally are playing in its consumption and dissemination, as well as how the press is handling and should handle reporting on political misinformation, especially as it pertains to the presidency elections and crises like Covid-19. Updated coverage of the role social media and other popular digital platforms are playing or not playing in the effort to stop the spread of mis- and dis-information on their platforms, with special attention to both foreign and domestic efforts to use these platforms to incite violence, cause confusion, and/or encourage distrust in democratic institutions. Expanded treatment of rising affective social and ideological polarization in politics, with a special focus on whether and how mass media are contributing to these forms of polarization. New updates on causes and consequences of expanding news deserts, declining local news, and rampant growth of hedge fund media ownership. Up-to-date coverage of what researchers are learning about the implications of growth in digital social and mobile media use. What does it mean for attention to news and politics?      The War of the Rebellion: v. 1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, order and returns relating specially thereto. 1880-1898. 111 v United States.
