all year round **Write Through It** Kate McKean, 2025-06-10 Discover what every new and aspiring author needs to know about the publishing industry and how to navigate all the complicated feelings that come with writing a book in this no-nonsense guide from literary agent, author, and creator of the popular newsletter Agents Books. Kate McKean, Writers all want the secret to getting published: the magic formula for a query letter, the list of agents who will instantly say yes, and the perfect marketing campaign to hit The List. But writing is about so much more than the intellectual act of putting pen to paper; writers also deserve reassurance that the emotional highs and lows of writing is a normal, valid part of the process. And it might seem easier to focus on the nuts and bolts of writing books—word counts, query letters, and author platforms—than the messy feelings that accompany writing, like doubt, fear, and hope, but the two things are inextricably linked. **Write Through It** is a candid, actionable guide to navigating the rollercoaster ride of writing and publishing, both on and off the page. Literary agent and author Kate McKean has been educating authors and demystifying publishing for years in her popular newsletter Agents Books, and now in these pages she walks writers of all genres through every stage of the writing and publishing process and its accompanying emotional moments. From the uncertainty of knowing when you should stop fiddling with your book and start pitching to agents, to how to deal with the sting of rejection and the elation and fear of getting a book deal, **Write Through It** covers it all. Drawing from her own extensive experience, McKean goes beyond the practicalities of writing and publishing to address the less-talked-about emotional side of the journey. This book is a must-read for any writer looking to understand the full spectrum of the writing life.

Magic Reborn Jeffe Kennedy, 2025-12-30 The gripping conclusion to the saga that started with a desperate woman in a tower and the Dark Wizard who freed her. The time has come. Love, Lies, and Ley Lines Jeffe Kennedy, 2026-01-20 It's been years since the infamous smuggling team of Bandit and Goldilocks thumbed their noses at the fae authorities running the priceless magical pixie dust desired by everyone, from hedge witches to the storied magic academies. No one in the human principalities controlled by the fae can work even the simplest spells without the stuff. And without fae magic, humans will find themselves back in the dark ages of disease and fast mortality. But the enigmatic fae keep a tight grip on their monopoly of pixie dust, charging extortionate prices at their whim. Bandit has been doing her best to get by on her racing wins and the quick thrill of one-night stands, while her former partner and best friend, the powerful sorceress known as Goldilocks, is off playing house and having babies. But when Bandit gets the offer of a lifetime, she convinces Goldilocks to come out of retirement for one last, hugely profitable gig. And if the Bandit picks up a mysterious and seductive hitchhiker fleeing his wedding, well, that just adds a bit of spice to the job. When he refuses to tell her his name, she dubs him Prince Charming, and

only regrets that she won't have time to find out more about her enticing companion and what he looks like under those fancy clothes. As the Bandit and Prince Charming run distraction for Goldilocks and her precious haul, they face untold dangers penetrating the arcane fae realms. All for gold, glory, and maybe even true love. Or lust. It can be hard to tell the difference.
