Jennifer Blackstream, 2014-11-01. The haunted prince gave up half his divine power to save her life. But if Sleeping Beauty never wakes, then all he's done is doom them both. Saamal is a god who's gone double or nothing on his kingdom's future. A curse holds Princess Aiyana, his bride-to-be, trapped in the Dreamworld, but that's not the only darkness standing between them. Saamal turned away from a history of blood sacrifices, tempted by a prophecy that promised another way to keep his kingdom alive. But in a land as alive and hungry as any predator, sacrifices that aren't given will soon be taken by force. And his jilted lover would rather see the land eat its prince than let him fall into the arms of another. His salvation comes in the form of a woman made fearsome and inhuman by his own desperate attempt to save their world. She is the future, the one who will make everything right. If only he could wake her up.

The Blood Prince series is a sensual paranormal romance series that twists beloved fairy tales into original tales of love, adventure, and well, blood. You'll laugh, you'll cry, and ultimately, you'll need to sink your teeth into the next book as you follow a desperate desire to find out just what the werewolf, the vampire, the demon, the angel, and the god are really up to. All of my books are written in the same universe, yes, even the Blood Trails series, which is contemporary, not historical like the Blood Prince Blood Realm series, and you'll have to read *Deadline* to find out how I managed that. Be ready for crossovers and cameos.
