Close Liaisons Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real

novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding [Her Lips Never Stop \(Short Erotica, Romance, English\)](#) Edasoso,2023-08-17 Category Fiction Romance Fiction Short Story Fiction Korean Fiction Web Novel Summary After an 11 year absence driven by contempt for his father s dissolute lifestyle while running the family business SangHyuk returns home Once a skilled Army Major he s summoned back by his ailing father s earnest plea to take over the company There he encounters YooRim a woman nursing his father Initially suspicious of her SangHyuk soon learns that she s a professional nurse One evening as SangHyuk seeks rest in his old room he s confronted by an absurd situation YooRim appears humming a tune casually undressing for a shower as if no one is watching Despite his shock SangHyuk decides to indulge in this special event unfolding in the dimly lit room This brief romance interweaves the story of a man scarred by childhood wounds and loneliness and a ceaselessly chatty woman with unfortunate history Her mouth seems to pause for breath only for one apparent reason leading to an intertwining of unique elements and youthful love expressed in a warm writing style An Asian love story that draws you into a world of destiny bright love and a romantic love story this new adult romance will captivate those who savor steamy romantic books Fusing the themes of romance and romance fantasy this collection of erotica shorts delivers an engaging tale of healing passion and unexpected connection modernSetting contemporary mistake romance hot steamy This short story of Romance is translated from from the original Korean short web novel text only no illustration Tables Of Contents Title Page Body Content Copyright 37 pages in approx print length Preview BANG Returning home after 11 years SangHyuk slams the front door which seems to be about three meters wide with his foot He steps through the front door and into the open master bedroom where a woman who looks much younger than him is nursing Chairman Yoon in bed How many girls have been there Now a girl like his daughter Sick Telling me it s
