## **Sentimental Journey Bud Green:**

**Sentimental Journey** Marvin E. Paymer, Don E. Post, 1999 *Sentimental Journey* is a cornucopia of 546 range portraits that tell the story of America's very own great music from its beginnings on Tin Pan Alley through its flourishing in step with the rise of the Broadway musical, radio recordings, the big bands, and the film musical. The book spans 25 years broken up into three decades entitled *The Roaring Twenties*, *The Depression Years*, and *The War Years*, each of which begins with a prologue giving a general description of the decade. Each year within the decades gives further historical background against which the individual songs were written, including the political, social, and artistic events. Within each year, the songs are portrayed individually, telling what made the song special and giving its vital statistics along with composer, lyricist, publisher, and when, where, and by whom it was introduced. The twenty-six chapters of *Sentimental Journey* is finalized with a set of Appendices containing glossary, bibliography, index of composers and lyricists, and an index of songs. No matter from what generation the reader is part of, the music from this book is being constantly rediscovered and has become part of the American heritage.

**The Great American Songbook** Steven Suskin, 2023-04-01 In an age of ubiquitous music and countless new songs releasing every minute, the Great American Songbook endures. After all, the Songbook that sprawling canon of popular songs, standards, and show tunes from roughly the 1920s through the 1950s is a foundational text of American pop music. Rare indeed is the song that doesn't in some way draw on this magnificent corpus, and rare is the person who hasn't heard at least a few of its most enduring melodies. Nonetheless, the Songbook is broader and deeper than most listeners can imagine, and on the margins, the question of whether this or that song should be included is the source of regular arguments among scholars and buffs alike. Attempting to plumb its depths can be a daunting prospect. Enter Steven Suskin, who has been writing about music since the days that Rodgers, Arlen, and Berlin still roamed the streets of Manhattan. In this carefully curated and cheerfully opinionated guidebook, Suskin surveys 201 of the most significant selections from the Songbook, ranging from celebrated masterpieces to forgotten gems. Year by year, he puts songwriters and their contributions in their context and explains what makes each song such a distinctive treat, whether felicitous melody, colorful harmony, compositional originality, or merely the sheer, irreducible joy of listening to it. Old and new favorites await all readers of this painstakingly compiled, enthusiastically written catalog.

*The Big Band Reader* William Emmett Studwell, Mark Baldin, 2000 Benny Goodman, Cab Calloway, Count Basie, The Dorsey Brothers, Duke Ellington, and Glenn Miller were musical masters of their eras, enchanting and romancing audiences with their timeless classics. Relive these wonderful songs and memories through *The Big Band Reader: Songs Favored by Swing Era Orchestras and Other Popular Ensembles*, a unique and exciting collection of over 140 songs from over 70 bands that are categorized by themes, preferred numbers, and top songs. Paying tribute to better-known swing bands, sweet bands, ensembles favoring softer, more sentimental numbers, and some unheralded bands, good ensembles that did not receive much attention or did not have a well-known leader, this book contains up to four essays relating to

specific groups and their popular hits giving readers historical and informative facts about the songs and the people who performed them

**Hit Songs, 1900-1955** Don Tyler,2007-04-16 This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist s and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era s most popular performers lyricists and composers Includes an alphabetical song index and bibliography
