End Property Tax Evan Swensen, 2026-01-01 Geraldine Tyler was ninety four years old when the government came for her home She owed 2 300 in property taxes The county sold her condo for 40 000 and kept every penny including 25 000 that belonged to her Bennie Coleman a retired Marine lost his Washington D C duplex over 134 Uri Rafaeli lost his Michigan home over 8 41 These are not outliers They are the logical outcome of a system that treats homeownership as perpetual tenancy where paying off your mortgage means nothing where your tax bill can double because a stranger bought the house next door where the government can take everything you ve built over a debt you could have paid with pocket change Property tax is the hidden rent Call it what it is End Property Tax exposes how America s oldest tax has become a machine for displacing families stripping wealth from vulnerable communities and enriching predatory investors From the D C tax lien scandal to Detroit s mass foreclosures where one in three properties was seized Evan Swensen documents the human wreckage of a system other developed nations abandoned generations ago But this book does more than diagnose It answers the hard question critics always ask Where would the money come from Drawing on international models state level experiments from Texas to Florida and economic research Swensen shows that protecting homeowners is not only morally necessary it s fiscally possible Australia exempts owner occupied homes from land tax entirely Germany s effective rate is one thirtieth of America s Singapore taxes owner occupants at a fraction of what investors pay These nations fund their schools pave their roads and pay their police without threatening to take grandma s house A home paid for should be a home kept This is not a radical proposition It is the promise America made to homeowners and quietly broke End Property Tax is the case for keeping that promise and a roadmap for how to do it

How to Be a Rich Old Lady Amanda Holden, 2026-01-13 NATIONAL BESTSELLER A life changing path to the financial freedom we all deserve How to Be a Rich Old Lady is filled with humor heart and real world perspective Amanda Holden spent years working in investment management where she saw exactly who gets access to the power ease and opportunity money can bring and it wasn t people like her friends She also saw how the financial system is designed to feel exclusive and confusing and how it blames individuals for economic problems they didn t create So Amanda left her finance job to launch Invested Development a financial education company where she has taught more than twenty five thousand students how to invest with radical clarity accessibility and joy Here all her expertise is packed into a guide that won t feel like getting cornered by a crypto bro Instead it reads like a text from your smartest friend Let s figure out money so we can stop thinking about money Because this practice isn t just about planning for your wild and glorious future it s about the relief of knowing you re doing everything you can right now In these pages you will Set up a fully automated investing strategy so you can move on with your life Use hands on tools and worksheets to guide you to financial independence Learn about investing in a way that is truly memorable Demystify retirement accounts and tax rules Learn who to trust in the finance world and who to avoid Master how to research buy and track the right

investments for you Explore what it means to live a wild beautiful life beyond Roth IRAs How to Be a Rich Old Lady is a step by step road map to financial freedom It s not just about numbers on a spreadsheet but building a life that feels secure enough to dream into Maybe your Rich Old Lady is wearing belly chains at the beach tanned and wrinkly and totally unbothered Maybe she s befriending the birds at her cozy forest cabin Maybe she s leaving 500 tips on her diner coffee Whatever your vision this approachable guide to investing and wealth building will help you build a plan to greet her with confidence security and genuine hope for tomorrow

Illinois Issues , 2014 *Tax Management Portfolios* , 2006 *Beyond Revenue* Jie Zhang, 2026-03-18 This book fundamentally examines China s tax reform trajectory through a national strategic lens Current debates on tax burden fluctuations in China are often distorted by interest group narratives and emotionally charged rhetoric By integrating international comparisons and interdisciplinary perspectives the study exposes hidden agendas debunks public misconceptions and reconstructs analytical frameworks for tax governance Taxation in international political economy now transcends traditional fiscal paradigms it embodies both the core of state sovereignty and a critical lever for global wealth redistribution It serves as both a cost benefit calculus for governance legitimacy and a

strategic fulcrum in global competition More importantly this book is of groundbreaking significance for the study of the international political economy towards the redistribution of wealth under the conditions of digitization and virtual economy The translation was done with the help of artificial intelligence A subsequent human revision was done primarily in terms of content The author with the friendly support of Mr Weijian Pan has subsequently revised the text further in an endeavour to refine the work stylistically
