*The Permission Mission* Dr. Cindy McGovern, 2026-03-24. You were taught to be good. Polite. Agreeable. Grateful. You did exactly what you were told, and it cost you your voice, your choices, and your life. If you've been biting your tongue, over-apologizing, saying yes when you meant no, or following rules you never agreed to, The Permission Mission will help you trust your own voice and take your life back. This isn't your life; it's the result of compliance. You've walked away from conversations thinking, "I wish I had said something." You've talked yourself out of the raise, the boundary, the opportunity, the dream because a louder voice, yours or someone else's, told you not to make waves. The Permission Mission is your wake-up call and your roadmap if you're tired of living a life that works for everyone but you. Dr. Cindy McGovern helps you identify the backup singers in your head, the old voices, expectations, unspoken rules, and borrowed beliefs that keep drowning out what you actually want. Then she hands the microphone back to the only voice that matters: yours. You'll embark on your own personal permission mission where the insights you gain actually become the momentum you need, even when you second-guess yourself. Because confidence isn't something you're born with; it's something you build. One brave decision at a time. On your journey, you'll learn how to spot the invisible rules you've been living by and break the
