Solo has partnerships throughout the fantasy sports industry. We are proud to be included in the Functional Sportsaholic's publications. Through this partnership, we access key analytics providers. In addition to Functional Sportsaholic, we also partner with respected projection providers such as Fantasy Pros and SportsData IO, formerly known as Fantasy Data Roto. Solo pulls data from the other top fantasy football sites on the web. We compile differing statistics and methodologies to determine the best fantasy football draft cheat sheet. The consensus projections are fed into Functional Sportsaholic's proprietary weighted strength of schedule to identify weekly rankings. This is the same method used by the large sport analytic companies, but we're the only ones sharing weekly projections up before the season starts. Ok, can we really project what will happen in week 17 in the upcoming season? Well, we can try. But this is where the free in-season projections come into play. The statistical model gets smarter as we compile more in-season data. As the season progresses and injuries take a toll across the NFL, we can help you adjust. In short, we'll set you up well before the year and help you keep that mojo going during the season.
