Memphis Ginger Scott,2018-02-23 My mom always said it was just something about the way he moved The same swagger Archie Valentine wore in the ring when he took his opponents down followed him like a halo everywhere he went But make no mistake about it

he was no angel He was like a drug My mother was his addict I never understood it how love could make you blind and convince you to drink the poison Not until I met Memphis Delaney At first it was the familiar form He s a fighter built like a god from the past the kind of man the universe doesn t make anymore His eyes hide a story and every time I m in his presence I want to keep reading him until I get to the end And then there s the way he moves His boxing is violent but beautiful and his body is a seductive weapon When he s in the ring he wears the stare of a man committed to the battle until his very last breath He could end me turn me into her Too much of him will leave me as a shadow and I ve lost so much of myself already But I have discipline It came the hard way Lessons learned scars left behind and trust stripped away from life I will breathe his air but I won t fall for a man like him The only boxer who s ever going to break my heart is the one who gave me my name

Piece of Cake (Kingston High Book One) Sundae Leighton,2021-02-16 There were five boys that made up the Knights of Kingston High These same boys rule the halls of which I m just a commoner trying to move along unnoticed I didn t ask to be part of their group nor do I want to be When one of the boys insists I have no choice because you simply don t say no when it comes to the Knights Easton Kennedy The towns golden boy and the Knights chosen boss of the group loathes the idea of being anywhere near me His angry glare His icy facade The fact that he seemed to despise the idea of being anywhere near me The dark prince made himself perfectly clear that he wanted nothing to do with me Easton comes to my rescue one night only to torment me the following day He s the devil in disguise with the things he says In the way he makes me feel when he whispers dirty words into my ear I want him only to hate him at the same time When I finally learn the truth about this town and the boy behind the green eyes it might already be too late For both of us

I Love You, I Need Him J.R. Rogue,2020-10-22 Brooklyn I learned early in life to build walls around my heart After my mother died Before my father went

to jail I'd give anything to make sure the people I love know it So when my boss hires a tall tattooed Irishman to work alongside me I vow to keep things professional Especially when I find out he's a widower But when my violent past threatens my future I find myself closer to Declan than I planned to be you want to sleep in my bed The walls around my heart are high but the arms around my body are strong And I've convinced myself he can save me from the coming storm Declan I escaped New York for Tennessee to have a clean slate From my vices From my ghosts But my new boss has the kind of eyes you can't look away from And the kind of laugh that threatens to pull you from the dark It's just chemical what you're feeling right now I tell myself I'm just being a good friend when I let her stay in my room But the lies we tell ourselves are the hardest to overcome I thought I knew what it was like to be haunted by someone I was wrong I don't know shit My attempt at starting over has led me to my greatest fear Love can never make me weak again And I can't fall for a girl who looks like the sun when I'm the goddamn storm

Hold My Breath Ginger Scott, 2016-11-18 Fractions of seconds can do lots of damage One decision can ruin lives A blink can be tragic And loving a Hollister can hurt like hell I would know They say the average person can hold their breath under water for two full minutes when pushed to the extremes Will Hollister has been holding his for years The oldest of two elite swimming brothers Will was always a dominant force in the water But in life he preferred to let his younger brother Evan be the one to shine Evan got the girl and Will he got to bury all of the secrets A brother's burden the weight of it all nearly left him to drown The daughter of two Olympians my path was set the day my fingertips first touched water My future was as crystal clear as the lane I dominated in the pool swim hard win big love a Hollister My life with Evan burned bright He gave me arms to come home to and a smile that fooled the world into believing everything was perfect But it was Will who pushed me Will who really knew me And when all of the pieces fell it was Will who started to pick them up In the end the only thing that matters are those few precious seconds and what we decide to do while we still have them in our grasp
