Par is an annual series of international conferences dedicated to the promotion and advancement of all aspects of parallel and distributed computing. The 2008 event was the 14th issue of the conference. Euro Par has for a long time been eager to attract colocated events sharing the same goal of promoting the development of parallel and distributed computing both as an industrial technique and an academic discipline extending the frontier of both the state of the art and the state of the practice. Since 2006 Euro Par has been offering researchers the chance to cocreate advanced technical workshops back to back with the main conference.
