Fantasy Football Logbook Journal Fantasy Sports, 2019-09-10. Fantasy Football (FF) is a game that is mostly played on the Internet by fans of American Football, especially in the United States. Before it was possible to exchange data via the Internet and evaluate the results, it was conceived as a post-game activity. As a rule, friends, relatives, and colleagues unite to form fantasy football leagues and give their teams their own, mostly humorous names, such as Fighting Amish, Mudslingers, Underperformers, etc., and fight for the title of a fictitious league. Often, entry fees are charged to finance a jackpot for the winner. Such gaming communities sometimes last for decades and, thanks to the spread of the Internet, are unrestricted in time and place.
