Waiting For Service Amas Tenumah,2021 You hate waiting in line or on the phone for customer service There have been plenty of books about customer service that all seem to offer secrets to improve customer service This is not that book I instead want to focus on Why customer Service is so broken and give you the secrets to get around it Customer service is bad by design Your bad customer service is not random it is intentional Customer Service is universally terrible this is not an opinion You do not have to believe me I am saying it is raining outside and you can simply look out the window I spent two decades helping dozens of your favorite brands with customer service You will laugh get mad all over again at some of the conversations I have had with executives around customer service I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much I also provide you with how to get around bad service and offer radical thinking to reset customer service Amas Tenumah

Post,2006-07-01 In these last days the body of Christ needs to be aware of satanic end time tactics including witchcraft Evelyn believes the body of Christ will experience more of these demonic and fleshly activities in the days ahead She is excited about sharing her testimony and showing you how the power of God prevails over the works of Satan She believes in the gift of prophecy and shares with you how God delivered her from a curse of witchcraft sent her way by a church leader whom she respected and a false prophetess She shares her deliverance experience and how her life was directed through dreams and the prophetic move of God Evelyn knows that once you read this book you will have a different perspective of the prophetic gift as well as demonic operations among church laypersons and church leaders This is a MUST READ book and you would not want to put it down until you have read the entire book
