takes place in real life I never shared my Secret Notebook with anyone it told to much of my life Each page counted for something and every something had its own special meaning deep thoughts Every lady has their own thoughts in life but my thoughts turned out to be more than what I actually expected I didn't know what I wanted to be when I grew up but when I read this job vacancy in New York I took my chances I was the second female who worked for the company Opposite where my desk was a tall handsome looking ravishing male who ticked all of the boxes in my Secret Notebook and much more things which you wouldn't imagine thinking but I couldn't compare him with the other males who worked there he was just him self My mind thought of different things which were unusual somethings were true but every lady has their own point a view on things I felt like I was living in a world of darkness but the question was was I or was it something I was fixed with A supernatural soul how could I explain that any further apart from scribbling it down in my secret Notebook which had most answers for me and some answers I would have to ask myself Was my brain really incapable of creating a face which turns out to be part of my consciousness I had to scribble all different types of meanings which could cause this As I wake up in the morning it was something different when I went to work I felt uncomfortable knowing I'm working round males but I never expected any of this As my days went by scribble scribble and I kept finding different things to add to my Secret Notebook it was like I was creating my own book to put on sale What more could I be thinking of apart from all of the different things which kept taking place and was there a reason for what was taking place and why This was the strangest thing why I had to ask myself only I could find the answers and nobody at the time could help me with the answers I tried everything well almost everything that's all I can say and it wasn't easy I depended on my Secret Notebook this was my life which I'd put into it everything I always said to myself the first kiss is the one that matters the most but you shouldn't give them all away at once This was something I said to myself is that a true fact do you hold back what you feel People see things happening on the streets but I see things in a different perspective because to me my mind is based on my Secret Notebook the only thing which keeps me going from day to day What is love is their true meaning to love can love be the question to most things in life or do people make up love stories each day of their life What is behind all of this my world of darkness the things which I see and feel I remember scribbling something down which I can't find the words to explain Occasionally I would get myself confused with my Vocabulary writing down all of these types of funny and sexual words The Life Story of Rosy Jane xxxxxx

**Fate of a Royal** Meagan Brandy,Amo Jones,2025-07-29 You will go to Rathe University live among the giftless and those of light magic You Knight Deveraux will learn to coexist I ve never heard more wasted words in my life Then again the gifted counsel never did have much to say that wasn t The only members amongst them who speak a thing worth listening to are my parents the King and Queen of the Stygian s the people of Dark Magic Unfortunately for me and my brothers they ve chosen to play nice instead of sinking their talons into anyone who dares demand a thing from their heirs In this instance at least

Every gifted is forced to leave our realm behind after graduation to spend the next four years in a world that isn't ours while pretending it's enough for those with something deeper clawing beneath their skin. It isn't. Not by a long shot and while it's as boring as I thought it would be, we find ways to entertain ourselves. A little Fae Dust, the power of persuasion and it's a party worthy of a royal or four. That was fun the first year but it's my second now and the minute I got back to campus I knew it would be worse than before. I felt it that pull buried beneath my skin, the whisper of a warning deep in my mind I could hear but couldn't reach. It starts with a human party and ends with a nightmare. A five foot white haired one. With eyes like ice and a body begging to be bitten she's a problem. A giftless one. That's right she's human. Worthless. And if the shadow circling my soul is telling me what I think it is she belongs to it. My new obsession is my fated mate. But there is no way the fates would give me a Lord of Rathe, a heir to the throne of dark magic, a giftless girl. I'll prove they got it wrong. That she's not mine. If I'm lucky I'll destroy her in the process.

*Audrey's Mr. Darcy* Paula Freda, 2015-03-07 Audrey Lambert is a self-sufficient woman newly appointed as Manager of a Financial Consulting Department. Tall, sophisticated and well-educated she hides well the simple dreamer within who finds immense joy seated in a window alcove reading the journals of her great grandmother's adventures and romance as she traveled with her husband in search of rare artifacts, often mysterious and mystical. To everyone Audrey appears unattainable, especially to one of the financial consultants under her supervision who considers himself cursed because his name is William Darcy from a long line of Darcys that had nothing whatsoever to do with Jane Austen's Mr Darcy. What's worse he resembles to a tee the popular actor who portrayed the character in the movie based on Austen's novel. Inevitably most women who date him insist on comparing him with the character to their eventual disillusionment. He doesn't have an English accent, born and bred in a small hamlet on Long Island, New York, a nice town with trees and malls, buses and trains and taxicabs. He isn't as tall or as confident or as proud of bearing and not one hundredth of

a percent as rich as the fictional Fitzwilliam Darcy One disappointed woman actually told him he had no right facially to resemble Austen's Darcy She suggested plastic surgery If only he could find a girl who dislikes Austen's Mr Darcy That's as improbable as finding a needle in a haystack To his edification he learns that Audrey dislikes the Darcy character preferring looks akin to Bronte's Edward Fairfax Rochester Attracted to Audrey Wil is prepared to go to all lengths even to growing his hair longer dying it black wearing elevator shoes to add more height to his 5'11" and dressing in apparel a mix between respectable 18th century and cool contemporary He is mortified when he reads the controlled laughter in Audrey's eyes But surprised soon after at her request that he accompany her on an archaeological trip Her trip has to do with company business and a multi-millionaire's account Audrey tells Wil that she considers him one of the best and most conscientious workers in the department He is honored and sees a glimmer of hope for his chance to win her affections Excerpt Wil turned on his back and opened his eyes He groaned with relief glad the dream was over and he was awake He wasn't overly fond of this dream As a child the occasional recurring dream terrified him As a teen it had made him wonder what was going on in his subconscious As an adult it made him speculate Perhaps he should visit a psychologist The setting wasn't always the same but it evoked the same feelings not fear any longer yet strange He didn't actually see himself but he felt the tentacles and he knew they were his arms and legs That was the weird part of the dream The part that he didn't mind at all was the woman who stood on the dais Her flowing garment was sheer and spun from silk and she wore a gold ankh pendant across her chest and a golden diadem with an ostrich feather at the front on her straight black hair Behind her was a royal throne garbed in red silk Wil had long since deduced she was an Egyptian Queen from ancient times She did not appear afraid of his appearance almost as if she did not see the tentacles as she smiled at him admiration and warmth in her onyx gaze She was as beautiful in form as were her thoughts and her soul inexplicably clear to him And he as the creature loved her The dream puzzling as ever Wil ran a nervous hand through his darkened hair What was his subconscious trying to tell him He took a deep breath and climbed out of bed A steaming cup of coffee sweetened with cream and sugar followed by a nutritious breakfast would help him shake off the dream's effects Audrey is the great granddaughter of Elizabeth Grace whose story is told in the author's novellas and novel *The Adventures of Grace Quinlan and Lord William Hayden* [A Coupe of Thorns and Rosé](#) Pop Press, 2024-08-08 Delicious drinks with a slow burn With 60 toe curling tipples and scrumptious spritzes inspired by your favourite romantic stories realms and tropes A Coupe of Thorns and Rosé is the perfect companion to add some serious spice to your reading nook or bookclub Whether you fancy an Atlas Spritz to toast to bitter rivals a High Lady Between The Sheets to serve your Shadow Daddy or an Empyrean Espresso Martini to bond over this book has a drink for every romantasy fan even Tam stans try the Green-eyed Fairy With beautiful illustrations throughout simple methods and a reading checklist this is an absolute must for any TBR
