# Security Strategies in Linux Platforms and Applications

MICHAEL JANQIANG AND RIC MESSIER

SECOND EDITION

The background of the lower half of the cover features a dense array of fiber optic cables. The cables are illuminated from the bottom left, creating a warm, golden-brown glow. Numerous bright, white light points are scattered throughout the scene, with some appearing as sharp, elongated streaks and others as soft, out-of-focus bokeh circles. The overall effect is one of dynamic energy and technological connectivity.
