Teaching Kids Authentic Worship Kathleen Chapman, 2003-07-01 Many children as adoring fans can rattle off all the stats and facts and details about their favorite singer or sports star Wouldn't it be great if they knew that much about God and were as excited about him In *Teaching Kids Authentic Worship* Kathleen Chapman gives an eye opening lesson on how worship can spark that kind of enthusiasm She begins with what it means to truly worship to focus on God alone At its core she says worship is our recognition of the greatness of God It is a kind of glue that will effectively lead children into a greater more permanent love relationship with Jesus With a contagious enthusiasm of her own Chapman moves from the what of worship to the how She includes fifty two worship moments that help children and adults focus exclusively on God and learn about him These creative moments take the form of singing hand movements dance crafts games writing drama and more *Teaching Kids Authentic Worship* is a necessary resource for every Sunday school teacher children's church leader and parent who wants to guide children in making God their greatest hero and lifelong friend **Do I Know What the Bible**
