We developed this new book with enthusiasm and great optimism. Marketing analytics is an exciting field to study, and there are numerous emerging opportunities for students at the undergraduate level and particularly at the master's level. We live in a global, highly competitive, rapidly changing world that is increasingly influenced by digital data, expanded analytical capabilities, information technology, social media, artificial intelligence, and many other recent developments. We believe this

book will become the premier source for new and essential knowledge in data analytics particularly for situations related to marketing decision making that can benefit from marketing analytics which is likely 80 percent of all challenges faced by organizations

**The Wealth Habit** Ken Okoroafor and Mary Okoroafor, 2026-03-19 The Wealth Habit shows how small well designed behaviours repeated consistently create extraordinary financial outcomes over time Steven Bartlett The Diary of a CEO Wealth doesn't start with money it starts with a habit Most people think that wealth is reserved for the lucky few those born into privilege gifted with an entrepreneurial streak or naturally skilled with money But the truth is financial success isn't about luck it's about habits The Wealth Habit is a groundbreaking behaviour driven approach to wealth building that rewires the way you think about money turning financial success into a series of tiny effortless repeatable actions Instead of overwhelming readers with rigid budgets or complex investment strategies this book reveals how small daily financial moves compound into life changing wealth no matter where you start Whether you're struggling with money looking to break free from the paycheck to paycheck cycle or searching for a stress free automated way to build wealth this book gives you a clear habit based roadmap to make financial success inevitable Start small Repeat often Let the habit lead the way
