Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It's a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991-99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city's own NHL franchise **Chill Factor** follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill **Chill Factor** takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill's reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times

ESPN Sports Almanac 2006 Gerry Brown, Michael Morrison, 2005-12-01 An Englishman's continuing search through space and time for a decent cup of tea Arthur Dent's accidental association with that wholly remarkable book *The Hitchhiker's Guide to the Galaxy* has not been entirely without incident Arthur has traveled the length breadth and depth of known and unknown space He has stumbled forward and backward through time He has been blown up reassembled cruelly imprisoned horribly released and colorfully insulted more than is strictly necessary And of course Arthur Dent has comprehensively failed to grasp the meaning of life the universe and everything Arthur has finally made it home to Earth but that does not mean he has escaped his fate Arthur's chances of getting his hands on a decent cuppa have

evaporated rapidly along with all the world's oceans. For no sooner has he touched down on the planet Earth than he finds out that it is about to be blown up again. And Another Thing is the rather unexpected but very welcome sixth installment of the Hitchhiker's Guide to the Galaxy series. It features a pantheon of unemployed gods, everyone's favorite renegade Galactic President, a lovestruck green alien, an irritating computer, and at least one very large slab of cheese. **Farm Journal**, 1912
